**ARTICLE 1.0 CONTRACT TYPE**

**1.1 Labor Hour**

If identified and provided for in the body of this Subcontract, this Subcontract is a Labor-Hour contract type and direct labor hours are to be provided at specified fixed hourly rates that include wages, overhead, general and administrative expenses, other indirect costs consistent with the SUBCONTRACTOR’s established accounting practices and profit. No other direct costs (ODCs) will be reimbursed under this Subcontract.

**1.2 Time and Materials**

If identified and provided for in the body of this Subcontract, this Subcontract is a Time and Materials contract type. Labor and other direct costs (ODCs) will be reimbursed under this contract type. Direct labor hours will be provided at specified fixed hourly rates that include wages, overhead, general and administration, other indirect costs consistent with the SUBCONTRACTOR’S established accounting practices, and profit. Reimbursable costs shall not include any costs arising for the letting, administration, or supervision of performance of the Subcontract, if the costs are included in the fully burdened hourly rates identified in the Subcontract’s Compensation Schedule.

ODCs shall only be charged by the SUBCONTRACTOR if specifically identified and authorized by the authorized procurement representative at the time of Subcontract award or by modification to the Subcontract. ODCs that will be reimbursed shall meet the following conditions under this contract type:

- ODCs must be allocable, allowable, and reasonable.
- ODCs include direct materials, purchases, travel, and lower-tier Subcontracting.
- ODCs, as used in this provision, are those materials which enter directly into the service provided, or which are used or consumed directly in connection with the furnishing of the end product.
- The SUBCONTRACTOR may apply a material handling and/or general and administrative expense to ODCs consistent with the SUBCONTRACTOR’s established accounting practices. SUBCONTRACTOR profit or fee shall not be applied to ODCs.
- ODCs must be agreed to and incorporated into the Subcontract’s Compensation Schedule.
- The SUBCONTRACTOR must have an established accounting system that accumulates the SUBCONTRACTOR’s costs for this element. This ODC account must be exclusive of all other accounts and not be recovered in the fully-burdened hourly direct labor rate(s).
- CH2M HILL will make payments to the SUBCONTRACTOR in amounts determined to be allowable by CH2M HILL in accordance with Federal Acquisition Regulation (FAR) Subpart 31.2 in effect on the date of this Subcontract and the terms of this Subcontract.

To the extent able, the SUBCONTRACTOR shall obtain materials and services at the most advantageous prices available with due regard to securing prompt delivery of satisfactory materials; and obtain all cash and trade discounts, rebates, allowances, credits, salvage, commissions, and other benefits. Credit shall be given to the authorized procurement representative for cash and trade discounts, rebates, allowances, credits, salvage, the value of any appreciable scrap, commissions, and other amounts that have accrued to the benefit of the SUBCONTRACTOR, or would have accrued except for the fault or neglect of the SUBCONTRACTOR. The benefits lost without fault or neglect on the part of the SUBCONTRACTOR, or lost through fault of the authorized procurement representative, shall not be deducted from gross costs.

**ARTICLE 2.0 ORDER OF PRECEDENCE**

In the event of a discrepancy among any of the Subcontract terms, conditions, clauses, provisions, written direction and instructions, and documents (collectively, the 'Subcontract'), the following order of precedence shall govern resolution: (i) authorized procurement representative's written Subcontract, modifications, directions, and instructions; (ii) Special Provisions; (iii) Labor Hour/Time and Material General Provisions; (iv) Statement of Work ('SOW'); (v) Technical Specifications; and (vi) Drawings.

Nothing recited above shall be construed as superseding or deleting any applicable statute, rule, ordinance, or regulation (collectively, the 'Laws'). In the event of a conflict with Laws, the specific conflicting term of the Subcontract shall be considered null and without effect, Laws shall govern. All remaining terms unaffected by said Laws should continue in force.

**ARTICLE 3.0 TERMS OF PAYMENT**

**3.1 General Invoice Requirements**

- A. Invoice Submission Requirements: Original invoices and supporting documentation shall be submitted no more than once a month per calendar month to CH2M HILL's Accounts Payable organization at the address below.

- B. Invoice Payment Terms: SUBCONTRACTOR shall prepare all invoices in a form satisfactory to and approved by CH2M HILL. Except to the extent expressly stated elsewhere in this Subcontract, the invoice is payable thirty (30) calendar days after receipt by CH2M HILL of a properly marked and submitted invoice. Discounts are expected for earlier payments and shall be specifically incorporated in the Subcontract. All unit pricing and payments made shall be in United States dollars only, in the forms of cash, check or electronic transfer as may be agreed upon. Remittance will be made only to the remittance address on file for the SUBCONTRACTOR. Invoices from third parties or with different remittance instructions or addresses will not be processed. Invoices may be submitted electronically, if in an acceptable format. All invoice requirements still apply to electronic invoices.
- C. Invoice Certification: Submittal of an invoice constitutes SUBCONTRACTOR's certification that materials, work and/or services have been delivered as specified on the invoice in accordance with the Subcontract.
- D. Separate Invoice Requirements: Each Subcontract or Subcontract Release shall be invoiced separately.
- E. Minimum Invoice Requirements: The invoice shall identify the following information:
- SUBCONTRACTOR's name, invoice number, and Subcontract number, and Release number.
  - SUBCONTRACTOR's name and telephone number of a representative available to respond to invoice questions.
  - The total amount due for the billing period (this amount shall be separate from cumulative amounts or subtotals included on the invoice).

- A cost summary identifying all cost elements being invoiced with all indirect cost (rate) allocations clearly identified.
- A synopsis of services performed during the billing period.
- A listing of ODCs invoiced that reconcile to the Subcontract's Compensation Schedule with supporting documentation as required by the authorized procurement representative.
- A corresponding description of each item billed and the associated amount.

F. Fully-Burdened Hourly Rate: Unless specified otherwise, the invoiced amount shall be computed by multiplying the appropriate hourly rate prescribed in the Subcontract's compensation schedule by the number of direct billable labor hours. The rates shall include wages, indirect costs, general and administrative expense, and profit. Fractional parts of an hour shall be payable on a prorated basis.

G. Time Sheets: To expedite payment for services, time sheets for the SUBCONTRACTOR employee(s) shall be submitted to the Buyer's Technical Representative (BTR) prior to leaving the job unless this requirement is waived by the authorized procurement representative. The Buyer's Technical Representative shall acknowledge on the time sheet receipt of services for the period covered by the time sheet. Time sheets shall be formally approved by the SUBCONTRACTOR. One copy of the approved time sheet is to be attached to the invoice when presented for payment.

CH2M HILL will only reimburse the SUBCONTRACTOR for direct labor hours where productive work is performed in accordance with the Subcontract's Statement of Work (SOW) as required by the Buyer's Technical Representative (BTR).

H. Identification of Uncompensated Overtime: Uncompensated overtime means the hours worked without additional compensation in excess of an average of 40 hours per week by direct charge employees who are exempt from the Fair Labor Standards Act. Compensated personal absences such as holidays, vacations, and sick leave shall be included in the normal work week for purposes of computing uncompensated overtime hours.

The SUBCONTRACTOR's reporting of uncompensated overtime must be consistent with its established accounting practices used to accumulate and report uncompensated overtime hours.

I. Rejection of Invoices: Any invoice submitted, which fails to comply with the terms of this Subcontract, including the requirements of form and documentation, may be returned to the SUBCONTRACTOR. Any costs associated with the resubmission of a proper invoice shall be to the SUBCONTRACTOR's account.

J. Withholding Invoice Payments: CH2M HILL may, at its sole discretion, withhold payment due for, but not limited to, the following reasons:

- Substandard Work or delays in the Work not corrected promptly.
- Evidence that a claim has been or will be filed against SUBCONTRACTOR.
- Evidence that lower tier Subcontractors or suppliers have not been properly paid.
- Failure to provide accrual reports by the 15th of each month as specified in the Subcontract provisions

K. Accruals: This provision applies to all service Subcontracts unless the Subcontract is for one-time work which will be billed during the month the work was performed, if the Subcontract includes automatic payments made by the 15th of each month rather than requiring individual invoices.

The SUBCONTRACTOR shall provide monthly to Accounts Payable an estimate of the total billable cost from inception of the Subcontract through the current calendar month end. This information must be provided by email (preferred), fax,

### **3.2 Reimbursement of Travel Expenses**

When authorized as part of the Statement of Work, the SUBCONTRACTOR will be reimbursed travel expenses incurred in performance provided that the expenses are for costs incurred for lodging, meals, and incidental expenses considered reasonable, allowable, and allocable to the extent that they do not exceed the maximum per diem rates in effect at the time of travel as set forth in *Federal Travel Regulations* (FTR) for travel within the 48 states. The following are links for referencing the travel guidelines.

#### [Federal Travel Regulations](#)

Additional guidance can be referenced through the Joint Travel Regulations (JTR) for travel in Alaska, Hawaii, the Commonwealth of Puerto Rico, and territories and possessions of the United States; or the Standardized Regulations (SR) for travel allowances in foreign areas.

A per diem will be paid to SUBCONTRACTOR employees only who are assigned to a project site for twelve (12) months (365 days) or less. SUBCONTRACTOR employees assigned to a project for more than sixty (60) days will be expected to vacate hotel lodging and move into residential accommodations.

- A. Short-Term Assignments: Per diem and lodging will be paid in accordance with the rates established by the Federal Travel Regulations (FTR) unless otherwise specified in this Subcontract. Home visits for less than four (4) consecutive weeks of assignment (on travel status) are not authorized.
- B. Temporary Work Assignments (Sixty (60) Days or Less): Expenses associated with temporary work assignments that are sixty (60) days or less will be reimbursed under the following guidelines
  1. Transportation Other than Airline: Reimbursement of transportation costs will be at the current Federal Travel Regulations (FTR) per mile rate, for travel made by automobile, or actual fares for other public conveyance, reasonably incurred by SUBCONTRACTOR's personnel in traveling by the shortest and most direct route from his/her home office to (Hanford Site) Richland, Washington, or to other such locations and return, at the request of CH2M HILL. When travel is by automobile the most direct route shall be determined in accordance with the Rand McNally Standard Distance Chart. Local mileage costs while at the Hanford Site will not be reimbursed, unless specifically authorized by CH2M HILL.
  2. Transportation by Airline: Every effort shall be made to plan required travel to obtain the lowest fares available. Actual receipts must document all airfare costs being invoiced under this Subcontract.
  3. Reimbursement of Labor Hours During Travel Status: The authorized procurement representative will only reimburse the SUBCONTRACTOR for direct productive labor hours associated with the Subcontract's or

**Labor Hour/Time and Material Contract Type**

**Rev. 5**

Subcontract Release's Statement of Work (SOW). Reimbursement for travel time (airline or other than airline) to the job-site is not considered a direct productive labor hour and will not be reimbursed by the authorized procurement representative.

4. Car Rental: Compact or intermediate size cars are to be used as a first choice. Should a compact or intermediate size vehicle not be available, use of a more expensive vehicle must include a certification by the employee of the effort made to obtain the compact or intermediate vehicle. Actual receipts must document all car rental and fuel costs.
5. Lodging: Lodging will be reimbursed at the current FTR rate or at the actual cost if less than the allowable FTR rate. Actual receipts must document all lodging costs being invoiced under this Subcontract.
6. Meals and Incidental Expenses (M&IE): M&IE will be reimbursed at a flat rate per day; not to exceed the limits specified for the geographical location in the FTR. The daily living expense (M&IE) shall be prorated per the FTR during the first and last day of travel, inclusive of weekend trips home. Weekend stay-over(s) are paid when continued work is required during the following week.

- C. Temporary Work Assignments – More Than Sixty (60) Days, But Less Than Three Hundred Sixty-five (365) Days: Effective the sixty-first day of the work assignment, the following modifications become effective: CH2M HILL will pay a reduced per diem rate of \$30 per day to compensate lodging/subsistence expenses. Receipts will not be required for lodging/subsistence while under the reduced per diem rate allowance.

Instead of using a rental car, a SUBCONTRACTOR owned vehicle may be used if determined to be more cost effective. However, shipping cost and arrangements must be pre-approved by the authorized procurement representative. CH2M HILL assumes no liability for accidents when SUBCONTRACTOR owned or rental vehicles are used.

One trip home, to the primary residence, after each four (4) consecutive weeks of assignment (on travel status) to the Subcontract will be reimbursed when approved in advance by CH2M HILL as follows:

- Fourteen (14) day advanced coach airfare via the most direct route in accordance with FTR guidelines. If the project work assignment or an urgent situation prevents the SUBCONTRACTOR employee from obtaining the fourteen-(14) day airfare; approval must be obtained from CH2M HILL. If a personal vehicle is used to return to the primary residence, mileage and lodging will be paid at the current FTR rates, not to exceed the fourteen (14) day advance airfare rate.
- While traveling and at home, per-diem expenses are not reimbursable.
- The trips home are neither “bankable,” transferable nor cumulative.

- D. Work Assignments - Three Hundred Sixty-five (365) Days and Over: Unless pre-approved by CH2M HILL, work assignments of more than three hundred sixty-five (365) consecutive days are considered permanent. Any incurred travel and living expenses, after three hundred sixty-five (365) consecutive days, are not reimbursable without written pre-approval from CH2M HILL. This provision shall also apply to SUBCONTRACTOR's employees who transfer to another Subcontract. The number of consecutive days for a transferred employee shall not restart with the new Subcontract but shall continue from the original Subcontract assignment date.

### **3.3 Cash Discounts**

Cash discounts will apply from the date a correct, properly supported invoice is received by CH2M HILL.

### **3.4 Refunds**

The SUBCONTRACTOR agrees that any refunds, rebates, or credits (including any related interest) accruing to or received by the SUBCONTRACTOR or any assignee, that arise under the materials portion of this Subcontract and for which the

**Rev. 5**

SUBCONTRACTOR has received reimbursement, shall be paid by the SUBCONTRACTOR to the authorized procurement representative.

**3.5 Taxes**

The SUBCONTRACTOR shall collect the applicable Washington State sales or use tax from CH2M HILL unless the SUBCONTRACTOR obtains a Direct Pay Permit from CH2M HILL. All other Federal, State, county, municipal or other taxes not excluded by the Washington State Department of Revenue Direct Pay Permit must be included in the Subcontract amount. If as a result of this Subcontract, the SUBCONTRACTOR becomes eligible for Washington State Business and Occupation Tax Credit for Research and Development spending, the SUBCONTRACTOR shall take such tax credit and assign such tax credit to CH2M HILL. If the SUBCONTRACTOR applies for the Washington State Business and Occupation Tax Credit for Research and Development spending, the SUBCONTRACTOR shall notify CH2M HILL. The SUBCONTRACTOR shall fully cooperate with CH2M HILL in any tax audits, tax assessment reviews, or tax challenges.

**3.6 Right to Offset**

CH2M HILL, without waiver or limitation of any rights or remedies of CH2M HILL, shall be entitled from time to time to deduct from any amounts due or owing by CH2M HILL to SUBCONTRACTOR in connection with this Subcontract (or any other Subcontract with CH2M HILL), any and all amounts owed by SUBCONTRACTOR to CH2M HILL or the Government in connection with this Subcontract.

**3.7 Interest Payment**

No interest is payable to SUBCONTRACTOR for any claim it may have, except that specifically imposed by a court of competent jurisdiction on any judgment, and then only from the date of the entry of judgment.

**3.8 Audit**

At any time before final payment under this Subcontract, the authorized procurement representative may request audit of the invoices and substantiating material. Each payment previously made shall be subject to reduction to the extent of amounts, on preceding invoices, that are found by the authorized procurement representative not to have been properly payable and shall also be subject to reduction for overpayments or to increase for underpayments.

**3.9 Final Payment**

Upon completion of the Work, SUBCONTRACTOR will notify CH2M HILL, in writing that the Work is complete and that final payment is due. The final invoice shall be submitted for payment after completion and acceptance of Work by CH2M HILL and compliance by SUBCONTRACTOR with all terms of this Subcontract. The final invoice shall be supported by all requested certifications and releases needed to close out the Subcontract including, but not limited to, the "Subcontractor Release of Claims." If the Work has been completed in accordance with this Subcontract, final payment will be made in accordance with the terms of this Subcontract. Final Payment shall not relieve the SUBCONTRACTOR of any obligation under this Subcontract.

**3.10 Limitation of Funds**

- A. The Subcontract (Subcontract release) specifies the dollar amount authorized, the items covered, and the period of performance the amount will cover. The SUBCONTRACTOR agrees to perform, or have performed, Work on the Subcontract up to the point at which the total amount paid and payable under the Subcontract, approximates, but does not exceed the total amount authorized on the Subcontract.
- B. When the parties have negotiated a total award value which exceeds current funding, the authorized funds on the resulting Subcontract will be limited using a limitation of funding provision.

**CH2M HILL HANFORD GROUP, INC**  
**SERVICES GENERAL PROVISIONS**  
**Labor Hour/Time and Material Contract Type**

**January 22, 2007**  
**Rev. 5**

- C. The authorized funding shall be considered a ceiling price which may not be exceeded until the authorized procurement representative notifies the SUBCONTRACTOR in writing that the ceiling price has been increased and shall have specified in the notice a revised ceiling that shall constitute the ceiling price for performance under this Subcontract.
- D. The SUBCONTRACTOR shall notify the authorized procurement representative identified in the Subcontract, in writing whenever it has reason to believe that the costs it expects to incur under this Subcontract in the next 30 days, when added to all costs previously incurred, will exceed 75 percent of the total amount so far allotted to this Subcontract. The notice shall state the estimated date when such allotted amount will be reached and estimated amount of additional funds required to continue performance for the period specified in the Subcontract. If after such notification, additional funds are not obligated by the end of estimated reach date or by an another agreed date, the authorized procurement representative shall upon SUBCONTRACTOR's written request, terminate this Subcontract on the performance end date or the date set forth in the request, whichever is later, pursuant to the provisions of the Termination clause of this Subcontract.
- E. Except as provided by other provisions of this Subcontract, specifically citing and stated to be an exception to this clause:
- The authorized procurement representative is not obligated to reimburse the SUBCONTRACTOR for costs incurred in excess of the total authorized funding; and
- The SUBCONTRACTOR is not obligated to continue performance under this Subcontract (including actions under the termination clause) or otherwise incur costs in excess of the allotted amount of this Subcontract, until the authorized procurement representative notifies the SUBCONTRACTOR in writing that the allotted amount has been increased and specifies the revised total allotted amount.
- F. No notice, communication, or representation in any form or by anyone other than the authorized procurement representative shall affect the authorized amount of this Subcontract. In the absence of the SUBCONTRACTOR's notification as described above, the authorized procurement representative is not obligated to reimburse the SUBCONTRACTOR for any costs in excess of the total authorized funding, whether incurred during the course of performance period, a termination, or result of an audit.
- G. When, and to the extent that the amount authorized by the authorized procurement representative is increased, any excess costs the SUBCONTRACTOR incurred before this modification shall be allowable to the same extent as if incurred afterward, unless this Subcontract was terminated.
- H. Change Orders (Subcontract Modifications) shall not be considered an authorization to exceed the authorized amount specified in the Subcontract, unless they identify an increased funding amount.

**ARTICLE 4.0 OBLIGATIONS OF SUBCONTRACTOR**

**4.1 Independent Contractor**

SUBCONTRACTOR is an independent contractor and shall maintain complete control of and responsibility for its employees, lower-tier Subcontractors, and agents. SUBCONTRACTOR shall also be solely responsible for the means and methods for carrying out the Work and for the safety of its employees. Nothing contained in this Subcontract shall be construed to create any employer-employee relationship between SUBCONTRACTOR's employees and CH2M HILL or to create a contractual relationship between the Government and SUBCONTRACTOR.

**4.2 Authorization for Lower-Tier Subcontracting\***

SUBCONTRACTOR shall not further Subcontract performance of all or any portion of the Work under this Subcontract, except as disclosed in the SUBCONTRACTOR's proposal, without first notifying CH2M HILL and obtaining CH2M HILL's written acceptance (consent) for subcontracting the Work and approval of the lower-tier Subcontractor.

**4.3 Right of Access\***

**CH2M HILL HANFORD GROUP, INC**  
**SERVICES GENERAL PROVISIONS**  
**Labor Hour/Time and Material Contract Type**

**January 22, 2007**  
**Rev. 5**

CH2M HILL, its Clients, or agents shall have the right to inspect and evaluate SUBCONTRACTOR's facilities at any time during the procurement process and performance (from Subcontract award through final payment). CH2M HILL, its Clients, or agents shall have the right of access to lower-tier Subcontractors for the purpose of verifying the quality of their Work. Access to lower-tier Subcontractors shall be coordinated through the SUBCONTRACTOR and verification may be performed jointly with the SUBCONTRACTOR.

**4.4 SUBCONTRACTOR Responsibility\***

SUBCONTRACTOR agrees that it is as fully responsible to CH2M HILL for the acts and omissions of its lower-tier Subcontractors and of persons either directly or indirectly employed by them as it is for the acts and omissions of persons directly employed by SUBCONTRACTOR. SUBCONTRACTOR shall not be relieved of its responsibility for the Work by virtue of any lower-tier Subcontracts it may place regardless of CH2M HILL's acceptance of such lower-tier Subcontract.

The SUBCONTRACTOR is responsible for the quality of work, material, and equipment supplied under the term of this Subcontract. SUBCONTRACTOR management and employees are expected to learn from experience, prevent adverse operating incidents, and share good work practices and lessons learned. The SUBCONTRACTOR shall be responsible for assuring that all lower-tier Subcontractors implement adequate quality and process control commensurate with importance to safety, cost, schedule, and success of the program, of the products supplied or services rendered. All applicable technical and quality requirements imposed by this Subcontract shall be flowed down to lower-tier Subcontractors through appropriate procurement documents. The SUBCONTRACTOR retains the responsibility for the quality of all work, material, and equipment provided by lower-tier Subcontractors.

The SUBCONTRACTOR shall hold a pre-fabrication conference with CH2M HILL prior to starting fabrication of items by SUBCONTRACTOR and/or its lower-tier Subcontractors.

Nothing contained in this Subcontract will be construed to create any contractual relationship between any lower-tier Subcontractor and CH2M HILL or the Government.

**4.5 SUBCONTRACTOR Certification\***

SUBCONTRACTOR will provide certification that the lower-tier Subcontractor has the necessary permits and licenses for the Work to be performed. The SUBCONTRACTOR guarantees that its lower-tier Subcontractors will comply fully with the terms of this Subcontract applicable to the portion of the Work performed. If any portion of the Work, which has been subcontracted by SUBCONTRACTOR, is not performed in accordance with this Subcontract, on request by CH2M HILL, the lower-tier Subcontractor will be replaced at no additional cost to CH2M HILL and will not be employed again on the Subcontract unless so authorized by CH2M HILL.

**4.6 SUBCONTRACTOR Assignment\***

SUBCONTRACTOR shall include a provision in every lower-tier Subcontract that authorizes assignment of such lower-tier Subcontracts to CH2M HILL or the Government without requiring further consent from such lower-tier Subcontractor.

**4.7 SUBCONTRACTOR Communications\***

CH2M HILL shall have the right from time to time to contact SUBCONTRACTOR's lower-tier Subcontractors, upon notification of the SUBCONTRACTOR, to discuss the lower-tier Subcontractor's progress.

**Rev. 5**

**4.8 Organizational Conflicts of Interest\***

SUBCONTRACTOR warrants that, to the best of its knowledge and belief, and except as otherwise disclosed, that the SUBCONTRACTOR has disclosed all such relevant information to CH2M HILL prior to award of this Subcontract and that there are no facts which could give rise to an organizational conflict of interest during the Work's performance.

**4.9 Warranties\***

SUBCONTRACTOR warrants that all supplies and services provided under this Subcontract shall conform to the Statement of Work and/or specification included in this Subcontract. SUBCONTRACTOR further warrants that all supplies provided as part of the Work shall be new, not refurbished or reconditioned; preserved, packaged, marked and prepared for shipment in a manner conforming to the requirements of applicable law and regulation and this Subcontract; and of an even kind, quality and quantity within each unit and among all units.

These warranty obligations shall survive for one (1) year after acceptance of the supplies or the completion of the Work performance hereunder unless a longer warranty period is called for in any writing including, without limitation, specifications, drawings or proposals furnished by or to CH2M HILL. CH2M HILL shall notify SUBCONTRACTOR of any warranty claim within thirty (30) days after discovering the basis to raise such claim.

SUBCONTRACTOR shall bear all costs and risk for correction or replacement of defective supplies or services, and in the case of supplies, for the cost of return of conforming supplies to CH2M HILL. Any of the supplies or parts thereof, corrected or furnished in replacement under this Warranty provision, shall also be subject to the terms of this Paragraph to the same extent as the supplies initially delivered. If replacement or correction is not completed promptly after notice of the defect or if a cure does not appear feasible, CH2M HILL shall have the right to either (i) obtain equivalent supplies or services from other sources (or to provide such supplies or services from internal sources) and to charge the cost thereof to SUBCONTRACTOR or (ii) demand a refund of the funds paid by CH2M HILL for the defective supplies or services. At the authorized procurement representative's request, SUBCONTRACTOR shall provide a schedule for completing any proposed cure for defective supplies or services. Failure to provide a schedule within ten (10) working days shall be deemed grounds for CH2M HILL to exercise its rights under this provision..

If SUBCONTRACTOR disputes CH2M HILL's warranty claim, SUBCONTRACTOR shall nevertheless proceed to correct or replace the defective supplies or services. In the event it is later determined that the supplies or services were not defective, CH2M HILL shall equitably adjust the amount paid or to be paid under the Subcontract to compensate SUBCONTRACTOR for the additional supplies or services provided, subject to offset for any conforming supplies returned by CH2M HILL.

SUBCONTRACTOR shall provide instructions for pick up or disposal of defective supplies. Notwithstanding the provision entitled "Notice of Completion and Final Acceptance" hereof, title to, and risk of loss of, defective supplies that are returned for replacement or refund shall revert to SUBCONTRACTOR upon notice of the defect. If SUBCONTRACTOR fails to furnish timely disposition instructions, CH2M HILL may dispose of the defective supplies for SUBCONTRACTOR's account in a reasonable manner. CH2M HILL is entitled to reimbursement from SUBCONTRACTOR, or from the proceeds of such disposal, for the reasonable expenses of the care and disposition of the defective supplies, as well as for excess costs incurred or to be incurred as a result of the breach of warranty. The rights and remedies of CH2M HILL provided in this paragraph are in addition to and do not limit any rights afforded to CH2M HILL by applicable law or any other term of this Subcontract.

Without limiting SUBCONTRACTOR's liability under the warranties set out above, SUBCONTRACTOR shall assign to CH2M HILL all manufacturer's warranties for supplies provided to CH2M HILL or other property acquired by SUBCONTRACTOR at CH2M HILL's expense to which the CH2M HILL takes title under the provision entitled "Notice of Completion and Final Acceptance."

**4.10 Final Acceptance**

When the SUBCONTRACTOR deems the Work fully completed, including satisfactory completion of such inspections, tests and documentation as are specified in this Subcontract, the SUBCONTRACTOR shall, within ten (10) working days, give a written

**Labor Hour/Time and Material Contract Type**

notice specifying the Work completed and the date it was completed. Within thirty (30) calendar days after receipt of the notice, CH2M HILL shall inspect the Work and shall either reject the Work and specify defective or uncompleted portions of the Work, or shall give the SUBCONTRACTOR a written Notice of Acceptance of the Work either for the purpose of final payment only, or for the purposes of final payment and final acceptance.

In the event CH2M HILL rejects the Work and specifies defective or uncompleted portions of the Work, SUBCONTRACTOR shall, within five (5) working days, provide for CH2M HILL review and approval, a schedule detailing when all defects will be corrected and/or when the Work will be completed and shall proceed to remedy such defective and uncompleted portions of the Work. Thereafter, the SUBCONTRACTOR shall again give CH2M HILL a written notice of completing the Work, specifying a new date for the completion of the Work based upon the date such defective or uncompleted portions of the Work were corrected. The foregoing procedure shall apply again and successively thereafter until CH2M HILL has given SUBCONTRACTOR written final acceptance for purposes of final payment.

Any failure by CH2M HILL to inspect or to reject the Work or to reject SUBCONTRACTOR's notice of completion as set forth above, shall not be deemed to be final acceptance of the Work for any purpose by CH2M HILL nor imply acceptance of, or agreement with, said notice.

**4.11 Non-Conformance Reports (NCRs)**

Nonconformance Reports (NCRs) generated by SUBCONTRACTOR, sub-tier Subcontractors and suppliers of items with the proposed disposition of "Use as is" or "Repair" shall be submitted for approval to CH2M HILL Design Authority, Engineering, and Quality Assurance before SUBCONTRACTOR initiates any remedial action on the nonconformance.

**4.12 Price Anderson Amendment Act (PAAA)**

As a government Prime Contractor providing nuclear safety-related services to the Department of Energy, CH2M HILL is required by contract to comply with the nuclear safety rules contained in the following regulations:

- 10 CFR 820, *Procedural Rules for DOE Nuclear Activities*,
- 10 CFR 830, *Nuclear Safety Management*,
- 10 CFR 835, *Occupational Radiation Protection*, and
- 10 CFR 708, *Contractor Employee Protection*.

If specified in the Subcontract, one or more of the nuclear safety regulations identified above have been determined to apply to this Work and therefore compliance is incumbent upon the SUBCONTRACTOR. The SUBCONTRACTOR will flow down these PAAA requirements to its lower-tier Subcontractors for Work performed under this Subcontract.

The SUBCONTRACTOR will accurately, completely, and voluntarily report the nature and actions taken in response to any non-compliance with the nuclear safety rules to the CH2M HILL PAAA Director, via the authorized procurement representative, and will take prompt and comprehensive corrective action to prevent recurrence.

**4.13 Indemnification\***

SUBCONTRACTOR agrees to defend, indemnify and hold harmless CH2M HILL and the Government, the affiliated companies of each, and all of their directors, officers, employees, agents and representatives, from and against:

- A. Any claim, demand, cause of action, liability, loss or expense arising by reason of SUBCONTRACTOR's failure to comply with any law, ordinance, regulation, rule or order. This clause includes, but is not limited to, fines or penalties by Government authorities and claims arising from SUBCONTRACTOR's actual or asserted failure to pay taxes.
- B. Any claim, demand, cause of action, liability, judgment or damages arising from actual or asserted violation or infringement of rights in any patent, copyright, proprietary information, trade secret or other property right caused or alleged to be caused by the use or sale of goods, materials, equipment, methods, processes, designs or information, including construction methods, construction equipment and temporary construction facilities, furnished by SUBCONTRACTOR or its lower-tier Subcontractors in performance of the Work. Should any goods or services

provided by SUBCONTRACTOR become, or appear likely to become, the subject of a claim of infringement of a patent, copyright or other property right, SUBCONTRACTOR shall, at CH2M HILL's option, either procure for CH2M HILL and the Government the right to continue using such goods or services, replace same with equivalent, non-infringing goods or services, or modify the goods or services so that the use thereof becomes non-infringing, provided that any such modification or replacement is of equal quality and provides equal performance to the infringing good or services.

- C. Any claim, demand, cause of action, liability, judgment or damages arising from SUBCONTRACTOR's negligence or acts or omissions which results in injury to or death of persons (including employees of CH2M HILL, the Government, SUBCONTRACTOR and SUBCONTRACTOR's lower-tier Subcontractors) or results in damage to or loss of property (including the property of CH2M HILL or the Government). SUBCONTRACTOR's defense and indemnity obligations hereunder include claims and damages arising from non-delegable duties of CH2M HILL or arising from use by SUBCONTRACTOR of construction equipment, tools, scaffolding or facilities furnished to SUBCONTRACTOR by CH2M HILL or the Government.
- D. Any claim, demand, cause of action, liability, judgment or damages arising out of any act or omission by SUBCONTRACTOR that results in contamination, pollution, or public or private nuisance.
- E. SUBCONTRACTOR's defense and indemnity obligations shall include the duty to reimburse any attorney's fees and expenses incurred by CH2M HILL or the Government for legal action to enforce SUBCONTRACTOR's indemnity obligations.
- F. In the event that the indemnity provisions in this Subcontract are contrary to the law governing this Subcontract, then the indemnity obligations applicable hereunder shall be construed to be to the fullest extent allowable by applicable law.
- G. With respect to claims by employees of SUBCONTRACTOR or its lower-tier Subcontractors, the indemnity obligations created under this clause shall not be limited by the existence of, amount, or type of benefits or compensation, payable by or for SUBCONTRACTOR, its lower-tier Subcontractors or suppliers under any workers compensation, disability benefits, or other employee benefits acts or regulations, and SUBCONTRACTOR, specifically and knowingly, waives any limitation of liability arising from workers' compensation or such other acts or regulations.

**4.14 Limitation of Liability\***

Except to the extent that the SUBCONTRACTOR is expressly responsible under this Subcontract for deficiencies in the services required to be performed under the Subcontract (including any materials furnished in conjunction with those services), the SUBCONTRACTOR shall not be liable for loss of or damage to property of the Government that (1) occurs after CH2M HILL acceptance of services performed under this Subcontract and (2) results from any defects or deficiencies in the services performed or materials acceptably furnished.

The limitation of liability shall not apply when a defect or deficiency in, or CH2M HILL's acceptance of, services performed or materials furnished results from willful misconduct or lack of good faith on the part of any of the SUBCONTRACTOR's managerial personnel. The term "SUBCONTRACTOR's Managerial Personnel", as used in this clause, means the SUBCONTRACTOR's directors, officers, and any of the SUBCONTRACTOR's managers, superintendents, or equivalent representatives who have supervision or direction of:

- All or substantially all of the SUBCONTRACTOR's business;
- All or substantially all of the SUBCONTRACTOR's operations at any one plant, laboratory, or separate location at which the Subcontract is being performed; or
- A separate and complete major industrial operation connected with the performance of the Subcontract.

If the SUBCONTRACTOR carries insurance, or has established a reserve for self-insurance, covering liability for loss or damage suffered by the Government or CH2M HILL through the SUBCONTRACTOR's performance of services or furnishing of material under this Subcontract, the SUBCONTRACTOR shall be liable to the Government or CH2M HILL, to the extent of such insurance or

**Labor Hour/Time and Material Contract Type**

**Rev. 5**

reserve, for loss of or damage to property of the Government occurring after CH2M HILL's acceptance of, and resulting from any defects and deficiencies, in services performed or materials furnished under this Subcontract.

The SUBCONTRACTOR shall include this provision, including this paragraph, supplemented as necessary to reflect the relationship of the subcontracting parties, in all lower-tier Subcontracts over \$25,000.

**4.15 Codes, Laws, and Regulations\***

SUBCONTRACTOR shall comply strictly with local, municipal, state, federal and governmental laws, orders, codes and regulations applicable to SUBCONTRACTOR's operations in the performance of the Work hereunder. Prior to offering the item or service for acceptance, the SUBCONTRACTOR shall verify and document that the item or service being furnished complies with the procurement requirements. Where required by code, regulation, or Subcontract requirement, documentary evidence that items conform to procurement documents shall be available at the facility site prior to installation or use.

SUBCONTRACTOR shall not, under any circumstances apply to or enter into negotiations with any governmental authority or agency for acceptance of variations from or revisions to safety or health, or environmental laws or regulations relating to this Subcontract or to the performance thereof, without CH2M HILL's prior written approval.

SUBCONTRACTOR shall not, under any circumstances, cause or permit, in connection with the Work to be performed hereunder, the discharge, emission or release of any hazardous substance and/or waste, pollutant, contaminant or other substance in violation of any applicable laws, rules or regulations which are now or hereafter promulgated by any governmental authorities having jurisdiction over the Work. SUBCONTRACTOR shall comply with all regulatory requirements applicable to the Work performed under this Subcontract and shall be responsible for compliance with all hazardous waste, health and safety, notice, training, and environmental protection laws, rules, regulations and requirements. "Hazardous waste" includes all substances, which are or may be identified as such in applicable Federal or State laws or regulations. SUBCONTRACTOR shall submit to CH2M HILL material safety data sheets (OSHA Form 20) as required by applicable regulation.

As an inducement to award of this Subcontract, SUBCONTRACTOR warrants full compliance and that it will adhere to all applicable project hazardous waste procedures and, if necessary, obtain or arrange for, at its expense and in accordance with the terms of this Subcontract, all identification numbers, permits, applications and other requirements in connection with the Work. SUBCONTRACTOR agrees that it will not store any hazardous wastes at the jobsite for periods in excess of ninety (90) days or in violation of the applicable jobsite storage limitations imposed by law, the Government or CH2M HILL, whichever shall be more restrictive. SUBCONTRACTOR further agrees that it will not permit any accumulation in excess of the small quantity generator exclusion of 40 CFR, Part 261, or other applicable laws, as amended. SUBCONTRACTOR agrees to take, at its expense all actions necessary to protect third parties, including without limitation, employees and agents of the Government and CH2M HILL from any exposure to, or hazards of, hazardous and/or toxic wastes or substances generated or utilized in SUBCONTRACTOR's operations. SUBCONTRACTOR agrees to report to the appropriate governmental agencies all discharges, releases, and spills of hazardous substances and/or wastes required to be reported by law and to immediately notify CH2M HILL of the same.

**4.16 Foreign Ownership, Control, and Influence\***

For purposes of this provision, a foreign interest is defined as any of the following:

- A foreign government or foreign government agency;
- Any form of business enterprise organized under the laws of any country other than the United States or its possessions;
- Any form of business enterprise organized or incorporated under the laws of the United States, or a State or other jurisdiction within the United States, which is owned, controlled, or influenced by a foreign government, agency, firm, corporation or person; or
- Any person who is not a United States citizen.

**SERVICES GENERAL PROVISIONS**  
**Labor Hour/Time and Material Contract Type**

**January 22, 2007**  
**Rev. 5**

Foreign ownership, control, or influence (FOCI) means the situation where the degree of ownership, control, or influence over a SUBCONTRACTOR by a foreign interest is such that a reasonable basis exists for concluding that compromise of classified information or special nuclear material, as defined in 10 CFR Part 710, may result.

The SUBCONTRACTOR shall immediately provide CH2M HILL written notice of any changes in the extent and nature of FOCI over the SUBCONTRACTOR, which would affect the SUBCONTRACTORs status. Further, notice of changes in ownership or control, which are required to be reported to the Securities and Exchange Commission, the Federal Trade, Commission, or the Department of Justice shall also be furnished concurrently to CH2M HILL.

In those cases where a SUBCONTRACTOR has changes involving FOCI, CH2M HILL must determine whether the changes will pose an undue risk to the common defense and security. In making this determination, CH2M HILL shall consider proposals made by the SUBCONTRACTOR to avoid or mitigate foreign influences.

If CH2M HILL at any time determines that the SUBCONTRACTOR is, or is potentially, subject to FOCI, the SUBCONTRACTOR shall comply with such instructions as CH2M HILL shall provide in writing to safeguard any classified information or significant quantity of special nuclear material.

The SUBCONTRACTOR agrees to insert terms that conform substantially to the language of this provision including this paragraph in all lower-tier Subcontracts under this Subcontract that will require access to classified information or a significant quantity of special nuclear material. Additionally, the SUBCONTRACTOR shall require such lower-tier Subcontractors to submit a completed certification prior to award of a lower-tier Subcontract. Information to be provided by a lower-tier Subcontractor pursuant to this provision may be submitted directly to CH2M HILL.

Information submitted by the SUBCONTRACTOR or any affected lower-tier Subcontractor as required pursuant to this clause shall be treated by CH2M HILL to the extent permitted by law, as business or financial information submitted in confidence to be used solely for purposes of evaluating FOCI.

The requirements of this provision are in addition to the requirement that a SUBCONTRACTOR obtain and retain the security clearances required by the Subcontract. This provision shall not operate as a limitation on the CH2M HILL's rights, including its rights to terminate this Subcontract.

CH2M HILL may terminate this Subcontract for default either if the SUBCONTRACTOR fails to meet obligations imposed by this provision (e.g., provide the information required by this provision, comply with CH2M HILL's instructions about safeguarding classified information, or make this provision applicable to lower-tier Subcontractors) or if, in CH2M HILL's judgment, the SUBCONTRACTOR creates a FOCI situation in order to avoid performance or a termination for default. CH2M HILL may terminate this Subcontract for convenience if the SUBCONTRACTOR becomes subject to FOCI and for reasons other than avoidance of performance of the Subcontract, cannot, or chooses not to, avoid or mitigate the FOCI problem.

**4.17 Publicity\***

SUBCONTRACTOR will not disclose the nature of its Work under this Subcontract or engage in any other publicity or public media disclosures with respect to this Subcontract without the prior written consent of CH2M HILL and the Government.

**4.18 Key Personnel**

Certain SUBCONTRACTOR employees may be designated as Key Personnel in this Subcontract. The SUBCONTRACTOR agrees those individuals determined to be key individuals will not be changed or reassigned without the written agreement of CH2M HILL. If any of the designated key personnel become unavailable for assignment for Work under this Subcontract, the SUBCONTRACTOR, with the prior approval of CH2M HILL, will replace the employee with an individual substantially equal in abilities or qualifications.

**4.19 Suspension of Work\***

The authorized procurement representative may order the SUBCONTRACTOR, in writing, to suspend, delay, or interrupt all or any part of the Work of this Subcontract for the period of time that the authorized procurement representative determines appropriate for the convenience of CH2M HILL. The notice of suspension shall specify the date of suspension and the estimated duration of the suspension. Such suspensions under this Subcontract shall not exceed one hundred eighty (180) consecutive calendar days each nor, in aggregate more than two hundred seventy (270) calendar days.

Upon receiving any such notice of suspension, the SUBCONTRACTOR shall promptly suspend further performance of the Work to the extent specified, and during the period of such suspension shall properly care for and protect all Work in progress and materials, supplies and equipment that the SUBCONTRACTOR has on hand for performance of the Work. Upon the request of CH2M HILL, the SUBCONTRACTOR shall promptly deliver to CH2M HILL copies of outstanding Subcontracts of the SUBCONTRACTOR, and shall take such action relative to such Subcontracts as may be directed by CH2M HILL. The SUBCONTRACTOR shall use its best efforts to utilize its material, labor, and equipment in such a manner as to mitigate costs associated with suspension.

CH2M HILL may at any time withdraw the suspension of Work as to all or part of the suspended Work by written notice to the SUBCONTRACTOR specifying the effective date and scope of withdrawal, and the SUBCONTRACTOR shall resume diligent performance of the Work for which the suspension is withdrawn on the specified effective date of withdrawal.

If the performance of all or any part of the Work exceeds the suspension days specified in this provision, an adjustment shall be made for any increase in the cost of performance of this Subcontract (excluding profit) necessarily caused by the unreasonable suspension, delay, or interruption, and the Subcontract shall be modified in writing accordingly. However, no adjustment shall be made under this provision for any suspension, delay, or interruption to the extent that performance would have been so suspended, delayed, or interrupted by any other cause, including the fault or negligence of the SUBCONTRACTOR, or for which an equitable adjustment is provided for or excluded under any other provision of this Subcontract. The SUBCONTRACTOR shall not be entitled to any profits or any damages because of such suspension or withdrawals of suspension.

A claim under this provision shall not be allowed for any costs incurred more than twenty (20) days before the Subcontractor shall have notified the authorized procurement representative in writing of the act or failure to act involved (but this requirement shall not apply as to a claim resulting from a suspension order); and unless the claim, in an amount stated, is asserted in writing as soon as practicable after the termination of the suspension, delay, or interruption, but not later than the date of final payment under the Subcontract.

**4.20 Suspect and Counterfeit Items\***

CH2M HILL reserves the right to question and/or require SUBCONTRACTOR to certify and/or furnish proof regarding the quality, authenticity, application, or fitness for use of the items supplied by the SUBCONTRACTOR under this Subcontract. The SUBCONTRACTOR shall establish and implement appropriate measures to prevent the procurement and incorporation of suspect and counterfeit parts into the deliverable for this Subcontract. In addition, the SUBCONTRACTOR shall report the discovery of suspect and counterfeit items in sufficient detail to establish all circumstances relative to the occurrence.

Any items furnished as part of this Subcontract and which have been previously found by CH2M HILL, the Department of Energy, or the Department of Commerce to be counterfeit or which are listed by the Department of Commerce to be suspect will be deemed, without more proof, to be subject to the above requirement of further proof or certification. CH2M HILL also reserves the right to question the circumstances and make available a report of any such review to the Government. All costs associated with conducting inquiries into and reporting on, components determined to be counterfeit, shall be recovered by CH2M HILL from the SUBCONTRACTOR.

**4.21 SUBCONTRACTOR Generated Documentation**

Documents that furnish evidence of the quality of items and/or activities affecting quality are considered quality assurance records and shall be prepared and controlled in accordance with approved procedures. Submittal of these documents to CH2M HILL shall be accomplished as specified in the Statement of Work, specification, or other Subcontract documents.

**4.22 Acquisition of Real Property**

Notwithstanding any other provision of this Subcontract, the SUBCONTRACTOR will obtain prior approval from the authorized procurement representative when, in performance of this Subcontract, the SUBCONTRACTOR acquires or proposes to acquire use of real property by lease when the Government will ultimately assume the liability for, or will otherwise pay for the obligation under the lease as a reimbursable Subcontract cost.

**4.23 Management of SUBCONTRACTOR-Held Government-Owned Property\***

This provision specifies requirements which Government Furnished Property (GFP) is either provided or purchased in accomplishing the Work under this Subcontract.

- A. CH2M HILL reserves the right to furnish any property or services required for the performance of the Work under this Subcontract.
- B. Except as otherwise provided by the authorized procurement representative, title to all materials, equipment, supplies, and tangible personal property of every kind and description purchased by the SUBCONTRACTOR, for the cost of which the SUBCONTRACTOR is entitled to be reimbursed as a direct item of cost under this Subcontract, shall pass directly from the vendor to the Government. CH2M HILL reserves the right to inspect, and to accept or reject, any item of such property. The SUBCONTRACTOR shall make such disposition of rejected items as the authorized procurement representative shall direct. Title to other property, the cost of which is reimbursable to the SUBCONTRACTOR under this Subcontract, shall pass to and vest in the Government upon (1) issuance for use of such property in the performance of this Subcontract, or (2) commencement of processing or use of such property in the performance of this Subcontract, or (3) reimbursement of the cost thereof by CH2M HILL, whichever first occurs. Property furnished by the CH2M HILL and property purchased by the SUBCONTRACTOR, title to which vests in the Government, under this paragraph are hereinafter referred to as Government property. Title to Government property shall not be affected by the incorporation of the property into or the attachment to any property not owned by the Government, nor shall such Government property or any part, be or become a fixture or lose its identity by reason of affixation to any realty.
- C. To the extent directed by the authorized procurement representative, the SUBCONTRACTOR shall identify Government property coming into the SUBCONTRACTOR's possession or custody, by marking and segregating in such a way, satisfactory to CH2M HILL, as shall indicate its ownership by the Government.
- D. The SUBCONTRACTOR shall make such disposition of Government property which has come into the possession or custody of the SUBCONTRACTOR under this Subcontract as the authorized procurement representative may direct during the progress of the Work or upon completion or termination of this Subcontract. The SUBCONTRACTOR may, upon such terms and conditions as the CH2M HILL authorized procurement representative may approve, sell, or exchange such property, or acquire such property at a price agreed upon by the authorized procurement representative and the SUBCONTRACTOR as the fair value thereof. The amount received by the SUBCONTRACTOR as the result of any disposition, or the agreed fair value of any such property acquired by the SUBCONTRACTOR, shall be applied in reduction of costs allowable under this Subcontract or shall be otherwise credited to account to CH2M HILL, as the authorized procurement representative may direct. Upon completion of the work or the termination of this Subcontract, the SUBCONTRACTOR shall render an accounting, as prescribed by the authorized procurement representative, of all Government property which had come into the possession or custody of the SUBCONTRACTOR under this Subcontract.
- E. Management of Property and Classified Materials:
  1. The SUBCONTRACTOR shall take all reasonable precautions, and such other actions as may be directed by the authorized procurement representative, or in the absence of such direction, in accordance with sound business practice, to safeguard and protect Government property in the SUBCONTRACTOR 's possession or custody.
  2. In addition, the SUBCONTRACTOR shall ensure that adequate safeguards are in place, and adhered to, for the handling, control and disposition of high-risk property and classified materials throughout the life cycle of the property and

materials consistent with the policies, practices and procedures for property management contained in the Federal Property Management regulations (41 CFR chapter 101), the Department of Energy Property Management regulations (41 CFR chapter 109), and other applicable regulations.

3. High-risk property is property, the loss, destruction, damage to, or the unintended or premature transfer of which could pose risks to the public, the environment, or the national security interests of the United States. High-risk property includes proliferation sensitive, nuclear related dual use, export controlled, chemically or radioactively contaminated, hazardous, and specially designed and prepared property, including property on the militarily critical technologies list.

**F. Risk of Loss of Government Property:**

1. The SUBCONTRACTOR shall not be liable for the loss or destruction of, or damage to, Government property unless such loss, destruction, or damage was caused by any of the following:
  - a. Willful misconduct or lack of good faith on the part of the SUBCONTRACTOR's managerial personnel;
  - b. Failure of the SUBCONTRACTOR's managerial personnel to take all reasonable steps to comply with any appropriate written direction of the authorized procurement representative to safeguard such property under this provision; or
  - c. Failures of the SUBCONTRACTOR managerial personnel to establish, administer, or properly maintain an approved property management system in accordance with this provision.
2. If, after an initial review of the facts, the authorized procurement representative informs the SUBCONTRACTOR that there is reason to believe that the loss, destruction of, or damage to the Government property results from conduct falling within one of the categories set forth above, the burden of proof shall be upon the SUBCONTRACTOR to show that the SUBCONTRACTOR should not be required to compensate CH2M HILL for the loss, destruction, or damage.
3. In the event that the SUBCONTRACTOR is determined liable for the loss, destruction or damage to Government property in accordance with this provision, the SUBCONTRACTOR's compensation to CH2M HILL shall be determined as follows:
  - a. For damaged property, the compensation shall be the cost of repairing such damaged property, plus any costs incurred for temporary replacement of the damaged property. However, the value of repair costs shall not exceed the fair market value of the damaged property. If a fair market value of the property does not exist, the authorized procurement representative shall determine the value of such property, consistent with all relevant facts and circumstances.
  - b. For destroyed or lost property, the compensation shall be the fair market value of such property at the time of such loss or destruction, plus any costs incurred for temporary replacement and costs associated with the disposition of destroyed property. If a fair market value of the property does not exist, the authorized procurement representative shall determine the value of such property, consistent with all relevant facts and circumstances.
4. The SUBCONTRACTOR shall not be reimbursed for, and shall not include as an item of overhead, the cost of insurance or of any reserve covering risk of loss or destruction of, or damage to, Government property, except to the extent that the authorized procurement representative may have expressly required the SUBCONTRACTOR to carry such insurance under another provision of this Subcontract.

**G. Steps to be Taken in Event of Loss:**

In the event of any damage, destruction, or loss to Government property in the possession or custody of the SUBCONTRACTOR with a value above the threshold set out in the SUBCONTRACTOR's approved property management system, the SUBCONTRACTOR:

1. Shall immediately inform the authorized procurement representative of the occasion and extent thereof,
2. Shall take all reasonable steps to protect the property remaining, and
3. Shall repair or replace the damaged, destroyed, or lost property in accordance with the written direction of the authorized procurement representative. The SUBCONTRACTOR shall take no action prejudicial to the right of CH2M HILL to recover therefore, and shall furnish to CH2M HILL, on request, all reasonable assistance in obtaining recovery.

H. Government property shall be used only for the performance of this Subcontract.

I. Property Management:

1. Property Management System:

- a. The SUBCONTRACTOR shall establish, administer, and properly maintain an approved property management system of accounting for and control, utilization, maintenance, repair, protection, preservation, and disposition of Government property in its possession under the Subcontract. The SUBCONTRACTOR's property management system shall be submitted to the authorized procurement representative for approval and shall be maintained and administered in accordance with sound business practice, applicable Federal Property Management regulations and Department of Energy Property Management regulations, and such directives or instructions which the authorized procurement representative may from time to time prescribe.
- b. In order for a property management system to be approved, it must provide for:
  - i. Comprehensive coverage of property from the requirement identification, through its life cycle, to final disposition;
  - ii. Employee personal responsibility and accountability for Government-owned property;
  - iii. Full integration with the SUBCONTRACTOR's other administrative and financial systems; and
  - iv. A method for continuously improving property management practices through the identification of best practices established by "best in class" performers.
- c. Approval of the SUBCONTRACTOR's property management system shall be contingent upon the completion of the baseline inventory as provided in this provision.

2. Property Inventory:

- a. Unless otherwise directed by the authorized procurement representative, the SUBCONTRACTOR shall within six (6) months after execution of the Subcontract provide a baseline inventory covering all items of Government property.
- b. If the SUBCONTRACTOR is succeeding another Subcontractor in the performance of this Subcontract, the SUBCONTRACTOR shall conduct a joint reconciliation of the property inventory with the predecessor Subcontractor. The SUBCONTRACTOR agrees to participate in a joint reconciliation of the property inventory at the completion of this Subcontract. This information will be used to provide a baseline for the succeeding Subcontract as well as information for closeout of the predecessor Subcontract.

J. The term "SUBCONTRACTOR's managerial personnel" as used in this provision means the SUBCONTRACTOR's directors, officers and any of its managers, superintendents, or other equivalent representatives who have supervision or direction of:

1. All or substantially all of the SUBCONTRACTOR's business; or
2. All or substantially all of the SUBCONTRACTOR's operations at any one facility or separate location to which this Subcontract is being performed; or
3. A separate and complete major industrial operation in connection with the performance of this Subcontract; or

**4.25 SUBCONTRACTOR's Personnel and Notification**

Any employee of the SUBCONTRACTOR deemed by CH2M HILL, in their sole judgment, to be objectionable shall be removed from the job-site immediately upon authorized procurement representative request and shall be promptly replaced by the SUBCONTRACTOR at no extra expense to CH2M HILL. The SUBCONTRACTOR shall nevertheless retain all authority and control over its employees, including responsibility for all costs arising from providing reasonable accommodations for its employees.

Upon verbal or written notification by the authorized procurement representative that a SUBCONTRACTOR employee's services are no longer required under this Subcontract, the SUBCONTRACTOR shall notify the impacted employee within twenty-four (24) hours of receiving authorized procurement representative notification. The SUBCONTRACTOR then shall confirm in writing within twenty-four (24) hours to the authorized procurement representative that notification has been given to the impacted employee.

If requested by the authorized procurement representative, The SUBCONTRACTOR shall furnish CH2M HILL with the names and addresses of lower-tier Subcontractors and others who have performed or are performing the Work under this Subcontract.

**4.26 Lowest Price Warranty**

SUBCONTRACTOR warrants that the prices set forth in this Subcontract do not exceed those charged by SUBCONTRACTOR to any other customers purchasing the same item in like or comparable quantities.

**4.27 Permits, Licenses, and Fees**

SUBCONTRACTOR will obtain and pay for all applicable permits and licenses required by law that are associated with the Work.

**ARTICLE 5.0 OBLIGATIONS OF CH2M HILL**

**5.1 Changes**

The Work shall be subject to change by additions, deletions or revisions thereto by CH2M HILL. The SUBCONTRACTOR will be notified of such changes by receipt of additional and/or revised drawings, specifications, exhibits or other written notification.

The SUBCONTRACTOR shall submit to CH2M HILL within ten (10) working days after receipt of notice of a change, a detailed proposal with supporting calculations and pricing for the change together with any requested adjustments in the schedule. The pricing shall be itemized as required by CH2M HILL and shall be in sufficient detail to permit an analysis of all labor, material and equipment and shall cover all Work involved in the change, whether such Work was deleted, added or modified. Amounts related to Subcontracts shall be supported in similar detail. In addition, if the proposal includes a time extension, justification therefore shall also be furnished.

The SUBCONTRACTOR shall not perform changes in the Work until CH2M HILL has approved in writing the change and any adjustment in the schedule for performance of the Work. Upon receiving such written approval from CH2M HILL, the SUBCONTRACTOR shall diligently perform the change in strict accordance with the Subcontract.

Notwithstanding the paragraph above, the authorized procurement representative may expressly authorize the SUBCONTRACTOR in writing to perform the change prior to approval by CH2M HILL. The SUBCONTRACTOR shall not suspend performance of the Subcontract during the review and negotiation of any change, except as may be directed by CH2M HILL pursuant to the "Suspension of Work" provision.

The SUBCONTRACTOR shall not comply with verbally directed changes to the Work. If the SUBCONTRACTOR believes that any oral notice or instruction received from CH2M HILL will involve a change in the cost, time to perform or integrity of Work, the SUBCONTRACTOR shall require that the notice or instruction be given in writing by the authorized procurement

representative. Any costs incurred by SUBCONTRACTOR to perform verbally directed changes shall be the SUBCONTRACTOR's responsibility, and the SUBCONTRACTOR waives any and all rights to a claim from CH2M HILL for such costs or additional time to perform the Work as a result of compliance by the SUBCONTRACTOR with such verbally directed changes.

**5.2 Technical Representative Responsibilities**

CH2M HILL has elsewhere in this Subcontract designated the Buyer's Technical Representative (BTR). The BTR is responsible for monitoring and providing technical guidance for this Subcontract and should be contacted regarding questions or problems of a technical nature. The BTR is also responsible for appropriate surveillance of the SUBCONTRACTOR while on site. In no event, however, will an understanding or agreement, modification, change order, or any deviation from the terms of this Subcontract be effective or binding upon CH2M HILL unless formalized by proper Subcontract documents executed by the CH2M HILL authorized procurement representative prior to completion of this Subcontract. On all matters that pertain to Subcontract terms, the SUBCONTRACTOR shall contact the CH2M HILL authorized procurement representative specified within this Subcontract. When in the opinion of the SUBCONTRACTOR, the BTR requests or directs efforts outside the existing scope of the Subcontract, the SUBCONTRACTOR shall promptly notify the CH2M HILL authorized procurement representative in writing. No action shall be taken until the CH2M HILL authorized procurement representative has issued an appropriate modification to the Subcontract.

**ARTICLE 6.0 GENERAL LEGAL PROVISIONS**

**6.1 Confidential and Proprietary Information**

CH2M HILL possesses information of a confidential and proprietary nature about businesses, products, services, and processes of CH2M HILL and the Government. This information, which relates to designs, technical experience, classified information, software, processing systems, databases, financial and other data, intellectual property including trade secrets, customers and vendors, personnel records, research, development, inventions, construction plans, manufacturing, engineering, accounting, bid data, sales and marketing including Subcontract terms, and any information generated pursuant to Work performed in accordance with the Subcontract (collectively, Confidential Information), constitutes a commercial asset of considerable value to CH2M HILL and the Government. SUBCONTRACTOR shall use such Confidential Information only for the purpose of performing Work in accordance with the Subcontract and not disclose such Confidential Information to any other person (including the media for purposes of publicity), partnership, venture, firm, government, or corporation without the express written direction of CH2M HILL or the Government, as appropriate. SUBCONTRACTOR further shall make all reasonable efforts to require its employees and any others, including lower-tier Subcontractors, to maintain such Confidential Information in strictest confidence.

Confidential Information shall not include the following:

- Information that is acquired by SUBCONTRACTOR from others who have no confidential commitment to CH2M HILL or the Government; or
- Information that is part of the public domain or becomes, without fault or participation of SUBCONTRACTOR, part of the public domain, by publication or otherwise; or
- Information that is in SUBCONTRACTOR's possession prior to CH2M HILL's or the Government's disclosure to it; or
- Information that is developed independently by SUBCONTRACTOR; or
- Information that is required to be publicly disclosed under operation of law, for which SUBCONTRACTOR will provide at least five (5) calendar days notice to CH2M HILL or the Government, as appropriate, before disclosure.

All drawings, specifications, prints, financial and other data, and any other written or electronically encoded materials (collectively, 'Documentation') furnished by CH2M HILL and the Government to SUBCONTRACTOR shall remain CH2M HILL's property. In addition, all Documentation developed by SUBCONTRACTOR in the performance of Work in accordance with the Subcontract shall become CH2M HILL's property. Upon completion of Work, SUBCONTRACTOR shall either destroy or return such Documentation

and any other Confidential Information reduced to tangible or electronic form, including copies thereof, to CH2M HILL unless CH2M HILL consents to otherwise.

Nothing contained in the Subcontract, or in any disclaimer made by CH2M HILL or the Government, shall be construed to grant SUBCONTRACTOR any license or other rights in or to disclosed Confidential Information or any patent, trademark, or copyright that has been or may be issued unless expressly conveyed by written agreement exclusive of the Subcontract.

In the event that Work performed by SUBCONTRACTOR in accordance with the Subcontract involves the collection or generation of data on persons or associations, SUBCONTRACTOR shall maintain strict confidentiality of records in accordance with the Privacy Act of 1974 (5 U.S.C. 552a), provisions of the Fair Credit Reporting Act (15 U.S.C. 1681), and applicable federal and state agency regulations. Violations of these statutes may result in criminal penalties.

**6.2 Claims for Extra Work**

In any case where the SUBCONTRACTOR anticipates additional compensation will become due, the SUBCONTRACTOR will notify the authorized procurement representative, in writing, of its intention to make a claim for such compensation before it begins the extra Work on which it bases the claim. If such notification is not given and the SUBCONTRACTOR fails to keep strict account of actual costs for this extra Work, then the SUBCONTRACTOR hereby waves any claim for such additional compensation. Such notice by SUBCONTRACTOR, and the accounting of the SUBCONTRACTOR's actual costs for the extra Work, will not be construed as proving the validity of the claim. Claims for additional compensation shall be made in detail and submitted, in writing, to the authorized procurement representative within ten (10) working days of identifying this effort as extra Work for which the SUBCONTRACTOR bases its claim. The submission shall contain a detailed proposal with supporting calculations and pricing for the claim together with any requested adjustments in the schedule. The pricing shall be itemized as required by the authorized procurement representative and shall be in sufficient detail to permit an analysis of all labor, material and equipment costs and shall cover all work involved in the claim. If the claim is found to be valid, it will be allowed and reimbursed for as provided in this Subcontract.

**6.3 Assignment**

SUBCONTRACTOR shall not assign any of the duties or rights or any claim arising out of or related to this Subcontract, whether arising in tort, Subcontract or otherwise, without the written consent of CH2M HILL. Any unauthorized assignment is void and unenforceable. These conditions and the entire Subcontract are binding on the heirs, successors, and assigns of the SUBCONTRACTOR.

CH2M HILL may assign this Subcontract, in whole or in part to the Government or to such party as the Government may designate to perform CH2M HILL's obligations hereunder. Upon receipt by SUBCONTRACTOR of written notice that the Government or a party so designated by the Government or CH2M HILL has accepted an assignment of this Subcontract, CH2M HILL shall be relieved of all responsibility hereunder and SUBCONTRACTOR shall thereafter look solely to such assignee for performance of CH2M HILL's obligations.

**6.4 Termination**

- A. Termination for Convenience: CH2M HILL may terminate all or part of this Subcontract for its convenience. In such event, SUBCONTRACTOR will be entitled to compensation for Work performed up to the date of termination and reasonable termination expenses as determined within the discretion of CH2M HILL. SUBCONTRACTOR will not be entitled to compensation or profit on Work not performed. The termination process will be conducted in accordance with the Federal Acquisition Regulations (FAR) Part 49 and FAR 52.249-6.
- B. Termination for Default: CH2M HILL may, by written notice, terminate the whole or any part of this Subcontract for default in the event that SUBCONTRACTOR fails to perform any of the provisions of this Subcontract, or fails to make progress as to endanger performance of this Subcontract in accordance with its terms, or, in the opinion of CH2M HILL, becomes financially or legally incapable of completing the Work and does not correct such to CH2M HILL's reasonable satisfaction within a period of seven (7) calendar days after receipt of notice from CH2M HILL specifying such failure. If,

**Rev. 5**

after notice of termination, it is determined for any reason that SUBCONTRACTOR was not in default or that the default was excusable, the rights and obligations of the parties will be the same as if the notice of termination had been issued pursuant to "termination for convenience." In the event of termination for default, the SUBCONTRACTOR will not be entitled to termination expenses.

- C. Regardless of the cause of termination, the SUBCONTRACTOR shall deliver to CH2M HILL legible copies of all completed or partially completed Work products and instruments of service and all materials and equipment previously paid for by CH2M HILL.
- D. In no case shall termination for any cause constitute a claim for consequential damages or damages based on loss of anticipated profits.
- E. The rights and remedies of CH2M HILL provided in this provision are not exclusive and are in addition to any other rights and remedies provided by law or equity under this Subcontract.

**6.5 Governing Law**

Irrespective of the place of performance, this Subcontract will be construed and interpreted according to Federal Government Contract Law as enunciated and applied by Federal judicial bodies, Boards of Contract Appeals and quasi-judicial agencies of the Federal Government. To the extent that this law is not dispositive, the law of the State of Washington shall apply. In the event that either party hereto must resort to litigation to enforce a right or remedy conferred by law, equity or the provisions of this Subcontract, the parties hereby consent to the action being brought in the court of competent jurisdiction in the State of Washington.

**6.6 Severability and Survival**

If any of the provisions contained in this Subcontract are held invalid, illegal, or unenforceable, the enforceability of the other remaining provisions shall not be affected or impaired thereby. Limitations of liability, indemnities, and other express representations shall survive termination of this Subcontract for any cause.

**6.7 Authorization to Proceed**

Execution of this Subcontract by CH2M HILL will be authorization for the SUBCONTRACTOR to proceed with the Work unless otherwise indicated in this Subcontract.

**6.8 No Third-Party Beneficiaries**

This Subcontract conveys no rights or benefits to anyone other than SUBCONTRACTOR and CH2M HILL, and has no third-party beneficiaries.

**6.11 Arbitration**

In the event that CH2M HILL is required to arbitrate a dispute with a third party, which dispute arises out of or is directly related to this Subcontract, the SUBCONTRACTOR agrees to join in such arbitration proceeding as CH2M HILL may direct and shall submit to such jurisdiction and be finally bound by the judgment rendered in accordance with the arbitration rules as may be established therein.

**6.12 Disputes**

In the event that the parties cannot, through negotiations, reach agreement on any issue arising out of the Subcontract, the issue will be considered a dispute and shall be resolved in accordance with the following:

If efforts at resolution through good faith discussions and/or negotiations fail to resolve the dispute, the parties agree that before taking any other action, they will consider the use of Alternate Dispute Resolution (ADR). In the event that non-binding mediation or

arbitration is agreed upon, the site of the proceedings shall be Richland, Washington, unless otherwise agreed in writing by the parties. The rules for mediation or arbitration and the selection of the arbitrator shall be determined by mutual agreement of the parties. The mediator or arbitrator shall allocate cost, except that there shall be no pre-decisional interest costs, and each party shall bear its discretionary costs.

In the event ADR fails or is not used, primary jurisdiction for the resolution of any claim arising under this Subcontract shall reside in the United States Federal District Court for the Eastern District of Washington. If the requirements for jurisdiction in the United States District Court are not met, the litigation shall be brought in a Court of competent jurisdiction in Benton County, Washington. Unless otherwise directed in writing by CH2M HILL, the SUBCONTRACTOR shall proceed diligently with the performance of the Subcontract pending final resolution of the dispute.

### **6.13 Waiver**

CH2M HILL's failure to insist on performance of any term, condition, or instruction, or to exercise any right or privilege included in this Subcontract, or its waiver of any breach, shall not thereafter waive any such term, condition, instruction, and/or any right or privilege. No asserted waiver of any right or benefit by CH2M HILL shall be valid unless such waiver is in writing, signed by CH2M HILL, supported by consideration and specifies the extent and nature of the rights or benefits being waived.

### **6.14 Gratuities**

The SUBCONTRACTOR, its employees, agents or representatives shall not offer or give to an officer, official or employee of CH2M HILL or the Government, gifts, entertainment, payments, loans or other gratuities to influence the award of a Subcontract or obtain favorable treatment under a Subcontract.

Violation of this provision may be deemed by CH2M HILL to be a material breach of this Subcontract and any other Subcontract with CH2M HILL and subject all Subcontracts with the SUBCONTRACTOR to termination for default, as well as any other remedies by law or in equity.

### **6.15 Interpretation**

Heading and titles of Clauses, Sections, paragraphs or other subparts of this Subcontract are for convenience of reference only and shall not be considered in interpreting the text of this Subcontract. No provision in this Subcontract is to be interpreted for or against any party because that party or its counsel drafted such provision.
