

- **Airline Savings Program**

RL/ORP employees who travel are eligible to participate in the Airline Savings Program. RL/ORP employees who arrange to use frequent flyer benefits to obtain a "free" coach class airline ticket may receive an award for the savings realized by the Agency. Employees are eligible for an award when they use a free ticket or arrange for another RL employee to use their free ticket for official travel. The Financial Division (FIN) administers this program. Employees wishing to participate should contact FID.
