Purpose of Modification:

This Unilateral Change Order modifies the Change Order issued under contract modification 069, by finalizing the draft version of the Corrective Action Plan (CAP), which was recently approved by the Department of Energy Headquarters with no changes. This modification also adds interim action item number 7, which provides guidance on the submission of weekly progress reports to ORP. The Not to Exceed (NTE) budget authority authorized in modification 069 is hereby increased by \$200,000.

Description of Modification:

1. The draft version of the CAP from modification 69 is hereby considered the final version of the CAP.
2. Update the list of Interim corrective actions, added in modification 69, by adding interim action item number 7, which provides guidance on the submission of weekly progress reports to ORP. The added interim action item number 7 is as follows:

Provide ORP, and copy the Mission Support Contractor's designated point-of-contact, with weekly progress reports on the status of assigned corrective action items (CAP) and interim action items and deliverable. The progress report shall include an up-to-date schedule showing percent completion. WRPS shall provide the weekly reports to ORP beginning from the date of receipt of this modification until all applicable actions and deliverables in the CAP are completed and closure verification has been accomplished. Periodic status meetings may also be scheduled and additional status input may requested by ORP, as necessary.

3. The NTE budget authority authorized in modification 069 is hereby increased from \$400,000 to \$600,000.
4. The schedule for proposal submission established in modification 069 remains unchanged.
5. **All other Terms and Conditions remain unchanged.**
