

INTRODUCTION

This chapter is a user's guide to good practices. Its use and application does not absolve the user of responsibilities to comply with the requirements of this manual and referenced Department of Energy (DOE), Occupational Safety and Health Administration (OSHA), and American Society of Mechanical Engineers (ASME) standards. Permission for the use of *The Complete Rigger's Reference Handbook* in this manual does not allow reproduction. Personnel who desire a hardcopy of the Riggers Reference Handbook can order one at <http://riggsafe.com/>.
