

DST Construction—Extent of Conditions Reports

- Next Steps:
  - Summary report available... (timing unknown at this time)
  - Track; come back for update in six months (?). IM Dirk work with DOE on timing
  - Pair with Isabelle Wheeler’s future briefing

Responses to Advice

- #271—is the DOE response perhaps different now (as opposed to what it was in December 2013?)
  - Probably not...
  - Briefing from Kevin Smith?
- Observation: the focus of advice & who it goes to has bearing on the response

Bin/Follow-up

- Future info/progress on full-scale mixing facility
- For EIC consideration (from TWC & DOE)
  - Summarizing volume of advice
  - HAB values white-paper follow-on
  - Make advice more accessible by topic (e.g. all comments related to “x”)
  - A database, for example, as a tool
- Holding Bin: DOE order 435.1—waiting on HQ
