

**RAP Committee Meeting – Transcribed Flipchart Notes  
November 13, 2013**

---

Update on River Corridor

- March – after 309 & 340 vault transport & when WCH demo current scope complete
- 100-F public comment in Jan Rev 0 – Jan/Feb briefing

Page 1

---

River Corridor (cont.)

- D&H Proposed Plan
  - Check in Feb
    - Hope to have Ecy comments resolved then
- Status on public comment on all plans at Dec TPA Quarterly

Page 2

---

Work Plan

- Add back Holding Bin
  - Needs timing tied to each item
  - Tied to work plan

Page 3

---

Bin/Follow Up

- Send HAB Advice#270 – 2 Response to RAP & HAB again

Advice responses & timing/mechanisms of early input

- Proposal → EIC discuss responses to advice & substance, “thank you, but...”
  - Options for discussing draft responses before they are sent?
  - Open dialogue
  - IMs role
  - Whole advice process, & right time for input, & viable cleanup options, time to consider new options

Page 4

---

Bin/Follow Up

- Proposed Plan & RI/FS process & best options for input
  - Docs change a lot
- Keep trying Round Robins on early documents (Draft As)
  - Need more prep/education for Round Robin/Sounding Board
- Problem with proposed plan tied to RI/FS (?) – de-couple
- Concerned about advice responses

- Need best mechanism for real early input
- RAP – follow up advice?

Page 5

---
