

Tank Vapor DOE Response

- Next steps
 - Hear from DOE on evaluation of an epidemiology study – where are they at in the study and when can they brief the committee?
 - Other focus area are advice response #4 on the lag time between when the injury occurs and when the injured worker can receive workers compensation
 - Hear from DOE on what “clear communications” mean

Page 1

Follow-Up

- “Traffic Safety Group”
 - Receive a briefing from DOE at the next HSEP meeting on group’s purpose and goals.
 - Following DOE briefing, feed HAB actions into the FY2016 HAB Work Plan
 - IMs: Mike K., Becky H.
