

100 D/H Proposed Plan

- Rev. 0 will be available in late February/ early March
- Add example in background and add advice point on RTD?
 - Determine if this is needed based on Ecology response to RAP regarding the 118-DR-2-2 Waste Site
- Introduce draft advice at the February 2016 Board meeting (advice will be a follow-up to HAB Advice #278). The Board will revisit the Advice on 100-D/H for potential adoption at the April 2016 Board meeting.
- PIC will discuss potential public involvement advice during a future call/meeting

Page 1

200-PW-1/3/6 Waste Sites

- HAB to offer comments (in the form of a letter) on PW-1/3/6 for TPA agencies to consider during ongoing negotiations
- Dale E. to draft letter for IM review → committee review during January 2016 committee call (Tuesday, Jan. 19 at 1:30 p.m.)
- Letter will move forward to Board members for review and potential adoption at the February 2016 HAB meeting

Page 2
