

CRESP Interim Progress Report

- Facilitation Team to distribute the following to the committee:
 - PDF copy of the CRESP presentation
 - Citation/description of human health risk in Methodology report
 - Gary Garnant’s summary of the CRESP Omnibus report
- Information needs:
 - Additional detail on upcoming DOE workshop on cleanup priorities
 - How will DOE use the CRESP reports? This will inform future RAP discussion and determine the committee’s next steps (potential advice, etc.)
