DOE-0342 Chronic Beryllium Disease Prevention Program**

ID Number: **Title/Subject: BWP Definition – Removal of Attachment 3**

Initiated by: Larry Sherman/BeCAP **Company:** WCH **Date:** 9/06/12 **Phone #:** 572-6133

Affected Document Number / Revision:
DOE-0342, Revision 1

Issue / Concern / Affected Step(s):
Reference to Attachment 3 for the BWP

Discussion:
With the implementation of the new BWP Procedure (DOE-0342-001), the BWP Form is no longer an attachment in the CBDPP. The Form is now part of the new Procedure. In attempts to remove all references to Attachment 3 in Revision 1 of DOE-0342, it has been discovered that the definition in section 3.0 still references the BWP as Attachment 3.

Resolution:
Remove the reference to Attachment 3 at the end of the definition of Beryllium Work Permit in section 3.0 of DOE-0342, Rev. 1.

Current definition
Beryllium Work Permit (BWP): A written set of controls and work practices required for work in a beryllium-controlled area or beryllium-regulated area (Attachment 3).
