The DOE Directives found in the following list constitute the *List B – List of Applicable Directives*, referenced in the Section I clause entitled *Laws, Regulations, and DOE Directives*. In any such situation where the Contractor seeks relief from the requirements of such DOE Directives, the Contractor may notify the Contracting Officer in writing explaining the reasons for its belief that the DOE Directives no longer apply to contract performance. The Contracting Officer may determine the conditions for applicability of a DOE Directive still exist, and may direct the Contractor to continue compliance with the DOE Directive.
