

PART I - THE SCHEDULE
SECTION D: PACKAGING AND MARKING

D.1 RESPONSIBILITY

The Contractor shall be responsible for the acquisition, shipping, marking, packaging, storage, and installation of all supplies, equipment, and materials required to implement ECM's accepted and approved by the Contracting Officer.

D.2 SHIPMENTS

- a. All shipments to and from the Hanford Site shall be at the Contractor's expense. Supervision of packing, unpacking, and placement of equipment and systems shall be the responsibility of the Contractor and shall be furnished by the Contractor without charge to the Government.
- b. Delivery of Data Items - Any reports or other products to be furnished hereunder shall be adequately packaged and marked to ensure safe delivery at destination. All products must be clearly marked to identify the contents, the sender, the contract number, and the individual/office to which the reports or other products are being sent.
- c. All shipments from the Hanford Site must meet all applicable Hanford Site release standards.
