I. Project Title:
CH2M Hill Plateau Remediation Company - Installation or Relocation of Machinery and Equipment, January 2013 to January 2014

II. Project Description and Location (including Time Period over which proposed action will occur and Project Dimensions - e.g., acres displaced/disturbed, excavation length/depth, area/location/number of buildings, etc.):
CH2M Hill Plateau Remediation Company (PRC) will be conducting installation or relocation of machinery and equipment on the Hanford Site in accordance with the categorical exclusion (CX) referenced in 10 CFR 1021, Appendix B, CX B1.31, "Installation or Relocation of Machinery and Equipment". PRC Projects include all those identified Sections J.13 and J.14 of the PRC Contract, DE-AC06-08RL14788.

These routine annual activities include, but are not be limited to:

Installation or relocation of machinery and equipment (including, but not limited to, laboratory equipment, electronic hardware, heavy equipment and machinery, container processing equipment, radiological assay instrumentation, portable exhaust/venting systems, manufacturing machinery, maintenance equipment, and health and safety equipment), provided that uses of the installed or relocated items are consistent with the general missions of the receiving structure.

Covered actions include modifications to an existing building, within or contiguous to a previously disturbed or developed area, that are necessary for equipment installation and relocation. Such modifications would not appreciably increase the footprint or height of the existing building or have the potential to cause significant changes to the type and magnitude of environmental impacts.

Prior to work, all locations will be evaluated to determine if ecological/biological or cultural reviews are needed.

III. Reviews (if applicable):

If "NO," proceed to Section V. If "YES," List EA, EIS, or CERCLA Document(s) Title and Number:
N/A

And then complete Section VI. Provide electronic copy of Initiator/ECO signed NRSF to DOE NCO for information only. DOE NCO signature is not required.
V. Categorical Exclusion

Does the proposed action fall within a class of actions that is listed in Appendixes A or B to Subpart D of 10 CFR Part 1021? YES ☒ NO ☐

Are there extraordinary circumstances related to the proposal that may affect the significance of the environmental effects of the proposal? ☐ ☒

Is the proposal connected to other actions with potentially significant impacts or result in cumulatively significant impacts (not precluded by 40 CFR 1506.1 or 10 CFR 1021.211)? ☐ ☒

List CX to be applied and complete Categorical Exclusion Integral Elements (where an action might fit within multiple CXs, use the CX that best fits the proposed action):

B1.31 Installation or Relocation of Machinery and Equipment

Categorical Exclusion Integral Elements

Does the proposed action threaten a violation of applicable statutory, regulatory, or permit requirements for environmental, safety, or health, including DOE and/or Executive Orders? ☐ ☒

Does the proposed action require siting, construction, or major expansion of waste storage, disposal, recovery, or treatment facilities? ☐ ☒

Does the proposed action disturb hazardous substances, pollutants, contaminants, or CERCLA-excluded petroleum and natural gas products that pre-exist in the environment such that there would be uncontrolled or unpermitted releases? ☐ ☒

Does the proposed action adversely affect environmentally sensitive resources? ☐ ☒

Does the proposed action involve genetically engineered organisms, synthetic biology, governmentally designated noxious weeds, or invasive species such that the action is NOT contained or confined in a manner designed, operated, and conducted in accordance to applicable requirements to prevent unauthorized releases into the environment? ☐ ☒

If "NO" to all Categorical Exclusion Integral Elements questions above, complete Section VI, and provide to DOE NCO for final Approval/Determination and signature in Section VII.

If "YES" to any of the Categorical Exclusion Integral Elements questions above, contact DOE NCO for additional NEPA Review.

VI. Responsible Contractor Signatures

VII. Approval/Determination

DOE NEPA Compliance Officer: Cliff Clark (acting)

Based on my review of information conveyed to me and in my possession (or attached) concerning the proposed action, as NEPA Compliance Officer (as authorized under DOE Order 451.1B), I have determined that the proposed action fits within the specified class of action:

NCO Determination: ☒ CX ☐ EA ☐ EIS

Signature: __________________________ Date: 2/13/2013
