

# WHY DO YOU DRIVE SAFELY?

The holidays and the New Year are here, the festive times that you spend with friends and relatives. This makes it a perfect time for you to make a resolution to drive more safely in the year to come.

WCH would like to help you do just that!

In the next month as you and your family members gather together for your parties, events, and celebrations, snap a tasteful photo of people or things that will remind and motivate you in the months to come to drive more safely. Maybe it's your spouse, or your kids.

Or maybe it's your pets or your classic car?

RCCC TEAM

*John Doe*

*"This is why I drive safe."*

Wishing you safe driving and a Happy New Year!

Your photo can range from wallet size to 8" X 10".

(Please NO photo copies or negatives.)

We will then make a copy of your photo and laminate it to make a badge for you to wear and show off your loved one or treasured item. On the back of each badge will be some helpful road reminders to help you with your commitment to drive more safely in the year to come. Send your photo today to our WCH Safety and

Health Dept., at H4-25 along with your name and MSIN clearly legible. Your photo will be copied and laminated and your original photo will be returned to you along with your new badge in about two weeks.

## Personal Driving Safety Goals

- I will observe all posted speed and stop signs
- I will not drive distracted and will focus on the road and driving safely
- I will turn off my cell phone and not answer it while I am driving
- I will do a 360 degree walk around of my vehicle before driving it at both work and home
