HEALTH & SAFETY EXPO – EXHIBITOR OPPORTUNITY

We are offering exhibit opportunities at the Health & Safety Exposition (EXPO 2014) to be held May 13-14, 2014, at the TRAC Center located in Pasco, Washington.

The goal of EXPO is to engage the community and promote health and safety best practices at home and in the workplace. The event has continually gained popularity in the Tri-Cities area, growing from 3,000 attendees in 1995, to more than 70,000 in 2013.

EXPO provides a unique opportunity for you to share your expertise and promote the importance of safety and health with Hanford workers, their families and the general public.

There is no cost to exhibit at EXPO 2014 with a standard 10' x 10' booth. Larger booth space and other benefits are available through our EXPO 2014 sponsorship program. For more information please email EXPO2014@rl.gov, or contact the EXPO 2014 Program Manager, Karen Sinclair, at (509) 376-2151.

We invite you to request an exhibitor booth by reviewing the attached Exhibitor Information with the Guidelines for EXPO Exhibitors (Attachment 1), then completing and returning the Exhibitor Booth Request Form (Attachment 2). Once we have received your request form, you will be notified within three weeks if your booth has been accepted.

We look forward to having you participate as an exhibitor and being a part of EXPO 2014. For questions or additional information, please email EXPO2014@rl.gov, or contact the EXPO 2014 Exhibitor Lead, Owen Berglund, at (509) 376-9035.

Sincerely,

A handwritten signature in black ink that reads "Lanette Adams". The signature is fluid and cursive.
