Re: Freedom of Information Act Request regarding FAR 31.205-46

Dear FOIA Liaison:

Pursuant to the Freedom of Information Act ("FOIA"), 5 U.S.C. § 552, we request all of the records prepared or maintained by the General Services Administration and its staff relating to the regulatory history of FAR 31.205-46, both as promulgated by the original FAR Council and as revised under FAR Case 2006-024, published on December 10, 2009 (74 Fed. Reg. 65,612).

We additionally seek any other records not already listed above that relate to the accounting for travel costs incurred by government contractors.

In order to help to determine my status to assess fees, you should know that I am affiliated with a private corporation and seeking information for use in the company's business.

We are willing to pay the reasonable costs incurred in responding to this request. If the costs will exceed \$2,000, please notify us in advance.

Please call me at the above-listed number if you have any questions about this request. Thank you for your time and attention in this matter.

Sincerely,

Sarah B. Gleich
