Subject: FOIA-Hanford Tanks

Hi Dorothy,

This is another request under the Freedom of Information Act.

I would like electronic copies of correspondence in 2013 between any Northwest Native American tribes – including the Yakama Nation, Confederated Tribes of the Umatilla, Confederated Colville Tribes, and Nez Perce tribe – regarding leaking underground waste tanks at the Hanford nuclear reservation.

In order to help to determine my status for purposes of determining the applicability of any fees, you should know that I am a representative of the news media affiliated with The Associated Press, and this request is made as part of news gathering and not for a commercial use. I am willing to pay fees for this request up to a maximum of \$25. If you estimate that the fees will exceed this limit, please inform me first.

I ask that my request receive expedited processing because there is a compelling need to disseminate information about nuclear waste cleanup efforts at Hanford to the public. Also, I would prefer the documents in electronic form, if possible.

I also include a telephone number and e-mail address at which I can be contacted, if necessary, to discuss any aspect of my request.

Thank you,

Shannon Dininny
