Requesters who have submitted FOIA requests to the U.S. Department of Energy Richland Operations Office (RL) and Office of River Protection (ORP) on or after December 31, 2008, may obtain the date received by this office and the estimated completion date by using the listing below. You will need to know your FOIA control number to identify your request on the listing.

If you would like additional information related to your request you should contact the FOIA Requester Service Center at this location. If your request has been transferred to a component of the Department to be processed, please contact the FOIA Requester Service Center at the location where your request has been transferred. You may access the telephone number to the appropriate FOIA Requester Service Center at http://management.energy.gov/contact_us/foia-pa.htm.
