Re: FOIA-2008-000342

Dear Ms. Uppalli:

This is in further response to the request for information that you sent to the Department of Energy (DOE) under the Freedom of Information Act (FOIA), 5 U.S.C. 552. You asked for Contract DEAC27-08RV14800, awarded to Washington River Protection Solutions on May 29, 2008.

Any documents that may exist at the DOE that are responsive to the request are under the jurisdiction of the Richland Operations Office (ROO). For this reason, I have sent the request to Ms. Dorothy Riehle, the FOIA Officer at that location, to conduct a search of the files.

In compliance with the FOIA, the 20 day response time will begin when the ROO receives the request. Ms. Riehle will provide you a response about the releasability of any responsive documents that are located.

If you have any questions about the processing of the request, please contact Ms. Riehle at the ROO at P.O. Box 550, MS A7-75, Richland, WA 99352. She also can be contacted on (509) 376-6288.

This is the final response that you will receive about your request from this office. You may contact Ms. Joan Ogbazghi of my staff on (202) 586-3595 with any questions about this letter.

I appreciate the opportunity to assist you.

Sincerely,

Joan Ogbazghi
