APR 27 2009

CERTIFIED MAIL

Mr. Joel Spector  
Mountain States Legal Foundation  
2596 South Lewis Way  
Lakewood, Colorado 80227

Dear Mr. Spector:

FREEDOM OF INFORMATION ACT REQUEST (FOI 2009-0022)

This is in response to the request for information that you submitted to the Department of Energy (DOE) pursuant to the Freedom of Information Act (FOIA), 5 U.S.C. 552 for the following documents:

- 1) "Any and all documents in your possession, custody and/or control, regarding the fence line along the Franklin County side of the Hanford Site."
- 2) "Any and all documents in your possession, custody, and/or control, that [H. Boyd Hathaway] relied on in concluding that the fence line along the Franklin County side of the Hanford Site did not demarcate property ownership between the federal government and private land owners."

In a telephone conversation with me on April 7, 2009, you narrowed your request for a listing of documents from the Records Holding databases using the following key words: Bureau of Reclamation, Bureau of Land Management, BLM, Land Survey, Property Survey, Fence Line, Property Boundary, and Trespass Encroachment(s). The results of this search are enclosed. Should you wish to request any of the documents on the listings, please highlight the item and return it to me at the above address.

Costs incurred for your request are as follows:

Reproduction - 99 pages @ \$.10/page	\$	9.90
Search time - 5.5 hours @ \$35.91/hour		<u>197.50</u>
Total	\$	207.40

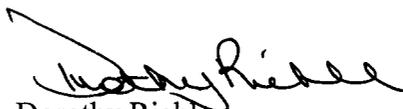

Mr. Joel Spector

-2-

APR 27 2009

Your check should be made payable to the U.S. Department of Energy and forwarded to my attention at the above address. If you have any questions regarding your request, please contact me at our address above or on (509) 376-6288.

Sincerely,

Dorothy Riehle  
Freedom of Information Act Officer  
Office of Communications  
and External Affairs

**TRANSMITTAL COMPLETION INSTRUCTIONS**

Individual forwarding quality assurance records for retention will complete item 1 through 9.

1. Indicate where the records are being sent by checking the appropriate box.
2. Type in the Retiring Company/Department, Organization Code, Manager/Custodian, Area, Bldg., Room, MSIN, Phone No. and Date of the transmittal.
3. Enter box number when retiring an entire box to the RHA.
4. Enter a comprehensive description of the records. Description should enable receiver to determine if the record is complete. For example, enter document type (PO, WA, QCRN, Readiness Review, etc.) and the appropriate number identifiers.
5. Enter the total number of pages for each record if you are forwarding individual records (not a box).
6. Enter classification (U, C, S). The "U" (Unclassified) classification will apply in the majority of records transferred.
7. Cubic Feet - Enter the cubic feet appropriate for the size of the box being retired.
8. Inclusive Dates - Enter the earliest (from) and the latest (to) date (month and year only) for each series of records.
9. Disposal Authority - This information is obtained from your RIDS.
10. To be completed by IRM Records Management Specialist. QA Classifications are L = Lifetime, N = Nonpermanent, or PC = Postclosure.
11. The cognizant individual completes the "Transmittal & Records Acceptance Criteria" checklist below and certifies by signing block 10.
12. Submit the original and one copy of this transmittal to your IRM Records Management Specialist for approval.

**TRANSMITTAL AND RECORDS ACCEPTANCE CRITERIA**

1. All blocks on transmittal are filled in or marked "N/A" for not applicable.
2. All records described on the transmittal are included in transmittal package.
3. All records submitted, and any attachments, are legible and reproducible in any media to the fourth generation or have been noted as "Best Available Copy".
4. No correction fluid or correction tape is used.
5. Corrections are made with single line strike and initialed and dated.
6. Only black ballpoint is used.
7. Records are paginated in a manner that allows for easy determination of the total number of pages and the sequential order of the record.
8. Transmittal identifies the item or activity to which the record applies.
9. Records transmitted have been designated as Quality Assurance Records on the organization's Records Inventory and Disposition Schedule (RIDS).
10. Signature of the cognizant individual has been obtained.
