Dear Mr. Babbitt:

This is in response to the request for information that you sent to the Department of Energy (DOE) under the Freedom of Information Act (FOIA), 5 U.S.C. 552. You asked for all reports and communications from Washington Closure Hanford, under River Corridor Closure Contract Number DE-AC06-05RL-14655, related to its "Small Business Subcontracting Plan in satisfaction of the requirements of FAR 52.219-8 and 52.219-9 from November 2008 to the date of this request.

Any documents that may exist at the DOE that are responsive to the request are under the jurisdiction of the Richland Operations Office. I have sent the request to Ms. Dorothy Riehle the FOIA Officer at that location, to conduct a search of its files and provide you a response about the releasability of any responsive documents located.

In your letter, you agreed to pay all fees associated with the processing of the request. For purposes of assessment of fees, you have been categorized under the DOE regulation that implements the FOIA at Title 10, Code of Federal Regulations (CFR), Section 1004.9(b)(1), as a "commercial use" requester. In this category, you will be charged fees for search, review and duplication associated with the request. The Richland Operations Office will inform you about any costs incurred to process the request.

If you have questions about the processing of the request, you may contact Ms. Riehle at the DOE, Richland Operations Office, P.O. Box 550, Mail Stop A7-75, Richland, WA 99352. She also can be reached on (509) 376-6288.

This is the final response that you will receive about your request from DOE Headquarters. You may contact Ms. Brenda Washington of my staff on (202) 586-6039 with any questions about this correspondence. I appreciate the opportunity to assist you.
