Ms. S. L. Leckband, Chair  
Hanford Advisory Board  
Enviroissues Hanford Project Office  
713 Jadwin, Suite 4  
Richland, Washington 99352  

Dear Ms. Leckband:

HANFORD ADVISORY BOARD (HAB) NOVEMBER 4, 2011, CONSENSUS ADVICE #252, “HANFORD’S 2011 LIFECYCLE SCOPE, SCHEDULE, AND COST REPORT”

Thank you for your letter conveying the HAB’s consensus advice #252, “Hanford’s 2011 Lifecycle Scope, Schedule, and Cost Report” (enclosed). We appreciate the HAB’s interest in this subject. The U.S. Department of Energy is reviewing your advice along with comments received from other reviewers for possible incorporation into the 2013, or future releases, of the Lifecycle Scope, Schedule, and Cost Report.

Thank you again for your advice on this subject. If you have any questions, please contact Paula Call at (509) 376-2048.

Matt McCormick, Manager  
U.S. Department of Energy  
Richland Operations Office

Scott L. Samuelson
