

## Comment period extended for proposed permit modifications for Hanford's Waste Encapsulation and Storage Facility!

The proposed modifications are to improve ventilation and grout six hot cells that are no longer in use at the Waste Encapsulation and Storage Facility. The extension provides additional time to review updates (clarifications) to the permit modification request. The 60-day comment period was originally scheduled to run from **Dec. 11, 2014 through Feb. 12, 2015**. The comment period will now end **Feb. 20, 2015**.

Public Meeting:  
**January 7, 2015, 5:30 p.m.**  
Richland Public Library  
955 Northgate Drive  
Richland, WA 99352
