

Preparation of Draft RODs

- The NCP and EO 12580 identify the lead agency as DOE (mentioned in definition of lead agency in 40 CFR 300.5)
- Lead agency provides the Remedial Project Manager
- At DOE facilities on the NPL, selection of remedial action is done jointly by DOE and EPA. If mutual agreement is not reached, EPA selects the remedy [CERCLA Section 120(e)(4) and 40 CFR 300.430(f)]
- Proposed TPA changes require DOE to submit a draft ROD, prepared in accordance with EPA guidance and the NCP, within 60 days of the close of the proposed plan comment period
- RODs cannot be issued without EPA approval
