

**Clarification & Guidance
DOE-0342 Chronic Beryllium Disease Prevention Procedure**

Proposed Reviewed Rejected Accepted Approved for Use Procedure Updated Complete N/A

ID Number: **Title/Subject: DOE-0342 Editorial Correction, Section 6.27.2**

Initiated by: RD Gilmore **Company:** MSA **Date:** 06/15/2010 **Ph #:** 372-9551

Issue/Concern/Affected Step(s): Section 6.28.2 Counseling; last bullet requires an editorial correction to update third party claims administrator.

Discussion: This is a minor editorial change to delete a former third party claims administrator and revise text to "generic terminology" to minimize the need for document revisions required only for updating specific service providers by name. This change does not modify the intent, scope, or applicability of the requirement identified.

Recommended Resolution:

Proposed change in text to read as follows:

- Third party claims administrator(s) and their requirements, as applicable.

Existing:

Current text read as follows:

- CCSI requirements.
