

RFQ RESPONSE REQUIREMENTS

1. Each line on the MSA Hanford RFQ document shall have a unit price and an extended price on the two lines provided on the right. The upper line is for the unit price and the bottom line is for the extended price.
2. A grand total of all lines shall be provided (legibly) on the first page of the RFQ document.
3. All questions, requests for clarification and exceptions to this RFQ shall be provided in writing to Scott Myrick at s_scott_myrick@rl.gov . When sending e-mail please add the RFQ number to the subject line of all e-mails.
4. Any quotations received without the required information above will be deemed unresponsive and will not be included in the vendor selection process.
