

Doing Business with Fluor Hanford.

The Supplier Advocacy Office within Fluor Hanford provides assistance to suppliers interested in business opportunities with Fluor Hanford. We strive to uphold DOE's small business requirements and encourage all small, disadvantaged, 8a, women owned, veteran owned, and/or HUBZone businesses within the eight surrounding counties of the Hanford site to contact us for details on future business opportunities.

We are interested in knowing if your company accepts credit card payments, electronic transfer of funds, offers online ordering, stocks items, and has a quality assurance program.

Fluor Hanford's Supplier Advocacy Office is available to meet with suppliers one on one. To schedule an appointment, please contact 509-376-4697 or you can e-mail us at small underscore business underscore advocate at rl dot gov.

Please have a prepared list of goods and services your company provides and have an electronic line card available to distribute and view.

Based on the nature of the scope of work that Fluor Hanford is responsible for, the following listing provides an example of the types of goods and services that Fluor Hanford would typically acquire.
