

REACH

A publication of the U.S. Department of Energy for all Hanford Site employees

HE'S COMING TO TOWN: Three-year-old Taylor Ambrose, son of Bechtel Hanford's Janiece Ambrose, spent a little time with Santa Claus during the Environmental Restoration Contractor team children's holiday party at the Uptown Theater in Richland. Taylor was one of 300 children who attended the party. The ERC team combined the feature films "Harry Potter" and "Monsters Inc." with holiday spirit as children brought food donations for this year's winter food drive. The *Hanford Reach* staff wishes all Hanford employees and our other readers a happy holiday season. The next issue of the *Reach* will be distributed Dec. 31.
