

Sign up for Safety and Health Expo 2002

The 2002 Safety and Health Expo will be April 30-May 2, 2002, at the Trade, Recreation and Agricultural Center (TRAC) in Pasco. The goal of this expo is to promote health and safety, both at home and in the workplace.

Booths are available for conducting demonstrations or displaying products intended to promote a safer, healthier lifestyle and increased awareness. If you would like to participate by showcasing your company, it's not too early to start planning.

First, get your manager's approval to participate. Second, get fellow workers together — several great minds are better than one! Next, build on an idea that has to do with safety and health either at home or in the workplace. For example, you can showcase outstanding safety practices or accomplishments at your facility.

Submit your application to the Topics and Exhibits chairman, Owen Berglund, at mailstop T6-06. Use application form at right, or find it at <http://www.hanford.gov/safety/expo/exhibit>.

Safety and Health Expo hours will be noon to 8 p.m. Tuesday, April 30 (family night), 7 a.m. to 8 p.m. Wednesday, May 1 (also family night) and 7 a.m to 4 p.m. Thursday, May 2.

All booths must be approved by the Topics and Exhibits Team. If you have any questions, contact Berglund at 376-9035 or visit the Web site, <http://www.hanford.gov/safety/expo>. ♦
