

## Projects use pies to raise funds to fight cancer

The American Cancer Society's Relay for Life was held over the weekend at TRAC, and Fluor Hanford teams raised a total of more than \$17,000. Team captains were Richard McFadzean, Business Services; Jane Stephens and Ed Lamm, Closure Services and Infrastructure; Carol Clark, K Basins Closure Project; and Debbie Romine, Plutonium Finishing Plant Closure Project. In an event leading up to the Relay for Life, KBC held a pie-in-the-

face event last week, raising more than \$1,900 that contributed to Fluor Hanford's total amount. KE Basins Closure Director Chris Lucas (top) keeps smiling. KE Basins Shift Manager Rhonda Nissen is administered the pie on the top-of-the-head (middle). K Basins Project Controls Director Doug Wertz (bottom) waits to receive a pie while Darren Boone, RadCon director, gets his.
