## **1.0 Solicitation**

### **1.1 North American Industry Classification System (NAICS) Code and Size Standard**

The authorized procurement representative has determined that North American Industry Classification System (NAICS) Code 332439 applies to this acquisition. Therefore, the size standard for determining whether an Offeror is a small business in regard to this solicitation is 500. The small business size standard for a concern which submits an offer in its own name, other than on a construction or service contract, but which proposes to furnish a product which it did not itself manufacture, is five hundred (500) employees.

### **1.2 Representations and Certifications**

Washington River Protection Solutions, LLC (WRPS) requires the electronic submission of the Representations and Certifications through its [vendor registration web site](http://www.hanford.gov/chgcp) (www.hanford.gov/chgcp). To start the submission, the Offeror will need to be registered with WRPS and have obtained a vendor identification number and form number (password). If assistance is required, please contact WRPS Contract Support at the following email address [WRPS\\_Procurement@rl.gov](mailto:WRPS_Procurement@rl.gov).

For this solicitation, an Offeror is required to have an electronic Representations and Certifications on file with WRPS for the North American Standard Coding System (NAICS) code identified in this document. The certification for this specific NAICS code will be valid for twelve (12) months from its submission unless your firm's business conditions change and an updated Representations and Certification submission is then required to be submitted electronically.

### **1.3 Email Proposals**

To meet this solicitation's due date, your proposal may be submitted by email. If this method is utilized to submit the offeror's proposal, a written confirmation will be provided to the authorized procurement representative.

To send an email, address to the authorized procurement representative and include a solicitation number or Subcontract/Purchase Order number for reference along with the specific information requested in the solicitation.

The Authorized Procurement Representative's contact information is:

Email Address: [Katherine\\_j\\_fulton@rl.gov](mailto:Katherine_j_fulton@rl.gov)

Phone Number: 509-376-6803

### **1.4 Basis of Award – Lowest Price**

The award under this solicitation shall be made to the Offeror submitting the lowest evaluated price among offers that meets all requirements of the solicitation.

### **1.5 Facility Closure Notice – Holiday and Work Schedules**

**Notice:** Daily work schedules and facility operations are NOT consistent on the Hanford Site. Many organizations and facilities **observe Friday closures** (10 hour days, Monday thru Thursday).

Accordingly, **BEFORE** scheduling deliveries or any work on the Hanford Site, the Subcontractor shall make specific schedule arrangements with the WRPS Procurement Specialist and/or others such as BTR, Facility Manager, Delivery Warehouse Manager, and Building Manager as applicable.

The Buyer will not be liable for the cost of any delays, demurrage, layover, extra travel days, etc. which result from the Subcontractor's failure to obtain a specific delivery or work schedule in advance.

## **2.0 Packaging and Marking**

### **2.1 Biodegradable/Recyclable Packaging Materials**

It is the preference of WRPS that the SUBCONTRACTOR packages the material/equipment in biodegradable or recyclable packaging materials. Cardboard and/or paper containers, in place of plastic, shall be used whenever possible and practical. Paper and/or popcorn may be used for internal container protection instead of plastics, foam or polyurethane chips. This preference is not intended to transfer any liability to WRPS for damage during shipping or prior to receipt by WRPS. The SUBCONTRACTOR shall be solely responsible for determining whether such substitution is practical, safe for its intended use, or in violation of any commercial or manufacturer's warranty that WRPS may otherwise receive. Although this preference is not a prerequisite for award of this Subcontract, the SUBCONTRACTOR's packaging methods may become a consideration for future awards.

## **3.0 Transportation/Receiving Instructions**

### **3.1 FOB Designation**

Responses are invited on both a FOB Origin and FOB Destination basis. Offerors will be evaluated for award (either FOB Origin or FOB Destination) based on the lowest overall price to WRPS. Please complete the information below and include the total charges as applicable to meet the solicitation's requirements.

FOB Origin: Insert the exact shipping location, weights, and dimensions for each item or shipping lots. Include an explanation of any special factors that could affect loading, shipping or handling.

FOB Destination: Delivery to WRPS's address as specified with all transportation charges paid by the Offeror. The total price shown on the Offeror's proposal is an all-inclusive firm fixed price.

#### 4.0 List of Attachments

The following attachments are incorporated herein. The General Provisions and On-Site Work Provisions, if applicable, listed below are hereby incorporated into and made a part of this Subcontract. They shall have the same force and effect as if written into the body of the contract. Subcontractor is responsible for downloading and complying with the applicable revision as identified below.

The documents identified with an asterisk below can be downloaded from the following website: <http://www.hanford.gov/tocpmm/page.cfm?page=11>
