In the event of a discrepancy among any of the Subcontract terms, conditions, clauses, provisions, written direction and instructions, and documents (collectively, the 'Subcontract'), the following order of precedence shall govern resolution: (i) authorized procurement representative’s written Subcontract, modifications, directions, and instructions; (ii) Special Provisions; (iii) General Provisions; (iv) Supplemental Provisions, (v) Statement of Work ('SOW'); (vi) Technical Specifications; and (vi) Drawings.

All remaining terms unaffected by said Laws should continue in force.

ARTICLE 2.0 SUBCONTRACT COMPLIANCE

By signing this Subcontract or starting performance, the SUBCONTRACTOR agrees to comply with the terms and conditions, specifications and other documents that this agreement incorporates by reference or attachment. The specifications, drawings and documents referred to herein is the entire agreement between the parties. Only the BUYER’s authorized procurement representative as specified in this agreement has the authority to enter into, administer, and/or terminate this agreement and make related determinations and findings.

ARTICLE 3.0 WAIVER

This warranty shall restart upon the BUYER’s acceptance of the repair, replacement or re-performance.

ARTICLE 5.0 INDEMNITY
