Dear Potential Bidders:

SOLICITATION NUMBER 292017

Washington River Protection Solutions, LLC (WRPS) requests proposals for Procurement of CO2 Coulometer, Carbon Furnace, and Acidification Module in accordance with the specifications defined in the attached solicitation documentation request. The requested material is in support of WRPS's Prime Contract DE-AC27-08RV14800 with the U.S. Department of Energy, Office of River Protection.

Information regarding the submission of a proposal is contained in the attached Solicitation.

The potential written questions are due to the undersigned buyer no later than 4:00 p.m. on September 7, 2016. The proposal is due by 4:00 p.m. on September 12, 2016, and the timetables are also indicated in Section 2.1 and 2.4 of this solicitation.

WRPS looks forward to your response.

Very truly yours,

Katherine Fulton,
Procurement Specialist
