## **1.0 Solicitation**

### **1.1 North American Industry Classification System (NAICS) Code and Size Standard**

The authorized procurement representative has determined that North American Industry Classification System (NAICS) Code 332996 applies to this acquisition. Therefore, the size standard for determining whether an Offeror is a small business in regard to this solicitation is 500. The small business size standard for a concern which submits an offer in its own name, other than on a construction or service contract, but which proposes to furnish a product which it did not itself manufacture, is five hundred (500) employees.

### **1.2 Representations and Certifications**

Washington River Protection Solutions, LLC (WRPS) requires the electronic submission of the Representations and Certifications through its [vendor registration web site](http://www.hanford.gov/chgcp) ([www.hanford.gov/chgcp](http://www.hanford.gov/chgcp)). To start the submission, the Offeror will need to be registered with WRPS and have obtained a vendor identification number and form number (password). If assistance is required, please contact WRPS Contract Support at the following email address [WRPS\\_Procurement@rl.gov](mailto:WRPS_Procurement@rl.gov).

For this solicitation, an Offeror is required to have an electronic Representations and Certifications on file with WRPS for the North American Standard Coding System (NAICS) code identified in this document. The certification for this specific NAICS code will be valid for twelve (12) months from its submission unless your firm's business conditions change and an updated Representations and Certification submission is then required to be submitted electronically.

### **1.3 Small Business Set Aside**

Proposals made under this solicitation shall be from small business concerns, including; Disadvantaged, Women Owned, Veteran Owned, Service Disabled Veteran Owned and HUBZone small businesses. Proposals received from concerns that are not small businesses shall not be considered for this solicitation. Disadvantaged, Women Owned, Veteran Owned and Service Disabled Veteran Owned may self Certify to these categories as defined by the Small Business Administration ([www.sba.gov](http://www.sba.gov)). HUBZone businesses must be certified by the Small Business Administration.

#### **1.4 Facsimile/Telephone Proposals**

To meet this solicitation's due date, your proposal may be submitted by telephone, email or facsimile. If any of these methods are utilized to submit the offeror's proposal, a written confirmation will be provided to the authorized procurement representative.

To send a facsimile or email, address the facsimile to the authorized procurement representative and include a solicitation number or Subcontract/Purchase Order number for reference along with the specific information requested in the solicitation.

The authorized procurement representative's contact information is:

Email Address: Alice\_R\_Hendrickson@rl.gov  
Phone Number: 509-376-9225  
Fax Number: 509-376-0825

#### **1.5 Evaluation of Discount**

Discounts for early payment will be considered during the solicitation's evaluation. The minimum number of days that will be considered during the solicitation's evaluation shall be ten (10) days. Discount periods will be computed from the receipt of a correct invoice or receipt of merchandise, whichever is later, to the date of WRPS's payment date. Unless freight and/or other charges are itemized, the discount will be applied to the full invoice amount.

#### **1.6 Proposal Submittal**

1. Proposals are to be received by the close of business (4:00 P.M., PST) on the date specified in the Solicitation.
2. Other Proposal Methods

Proposals, upon approval by the authorized procurement representative, may be submitted by electronic mail, telephone, or facsimile. When requested, the original proposal and certifications shall be sent to the authorized procurement representative as confirmation.

3. Late Proposals

Any proposal received at the office designated in the solicitation after the exact time specified for receipt will not be considered unless it is received before award is made, and:

- a. It was sent by registered or certified mail not later than the fifth calendar day prior to the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th or earlier); or
- b. It was sent by mail, telephone, telegram or facsimile as specified by the authorized procurement representative and it is determined that the late receipt was due solely to mishandling upon receipt; or

c. It is the only proposal received.

4. Proposal Changes

Any modification of a proposal, including a modification resulting from the authorized procurement representative's request for a "best and final offer" is subject to the same conditions as in the "Late Proposals" section above.

5. Withdrawal of Proposals

Proposals may be withdrawn by written or electronic notice received at any time prior to award. An Offeror or its authorized representative may withdraw proposals in person, provided its identity is made known and he signs a receipt for the proposal prior to award.

### 1.7 Financial Capability Determination

WRPS reserves the right, prior to award, to request any or all Offerors to submit data which will be used to make a determination of financial capability to perform on any resultant Subcontract. Such data may include, however not be limited to, current annual reports, lines of credit with financial institutions and suppliers, and/or any other such data as may be required to make a determination of the Offerors' financial capabilities.

### 1.8 Buy American Act Compliance

The provisions of this solicitation include each of the Federal Acquisition Regulation (FAR) clauses that may be applicable to the Offeror's proposal, as well as any resulting purchase order or Subcontract. The applicability of a specific FAR clause is based on the proposed dollar amount of your proposal for the supplies or materials provided under a purchase order or Subcontract unless the item is classified as a commercial off the shelf (COTS) item, and in turn, does not apply.

The applicable FAR clauses in the provisions and the corresponding clause for which identification may be required are shown below:

FAR Clause in Subcontract Provisions	Corresponding FAR Clause Requiring Offeror Certification
FAR 52.225-1, "Buy American Act—Supplies" (Jun 2003)	FAR 52.225-2, "Buy American Act Certificate" (Jun 2003)
FAR 52.225-3, "Buy American Act—Free Trade Agreements—Israeli Trade Act"(Jan 2004)	FAR 52.225-4, "Buy American Act—Free Trade Agreements—Israeli Trade Act Certificate" (Jan 2005)  Alternate I - applies if the quote for an end item or supplies under a time-and-materials subcontract is \$25,000 or more but less than \$50,000.

	Alternate II - applies if the quote for an end item or supplies under a time-and-materials subcontract is \$50,000 or more but less than \$58,550.
FAR 52.225-5, "Trade Agreements" (Jan 2005)	FAR 52.225-6, "Trade Agreements Certificate" (Jan 2005)

### 1.9 Basis of Award – Lowest Price

The award under this solicitation shall be made to the Offeror submitting the lowest evaluated price among offers that meets all requirements of the solicitation.

### 1.10 Employment Eligibility Verification (E-Verify)

WRPS anticipates that this award will be subject to the Employment Eligibility Verification requirements established in Federal Acquisition Regulations (FAR) clause 52.222-54, which requires the successful Offeror to enroll and utilize the E-Verify program. Enrollment is done via the Internet at the Department of Homeland Security Web site at <http://www.dhs.gov/E-Verify>. This requirement is applicable to all awards that are more than \$3,000 and not considered a commercial item as defined in FAR Part 2.101.

WRPS reserves the right, prior to award, to require Offeror to submit information which WRPS will use to make a determination whether Offeror has successfully enrolled in the E-Verify program. Such information may include a copy of the last three (3) pages of the enrollment form (i.e. pages 11, 12, and 13) and any other information that may be required to make the appropriate determination.

## 2.0 QA/Inspection Requirements

### Fabrication/Inspection/Test Plan (B13) Rev. 0 2/22/00

#### Fabrication/Inspection/Test Plan (Traveler)

The Supplier shall prepare a detailed fabrication/inspection/test plan (Traveler) for insertion of Buyer-designated source inspection/witness notification points. Prior to starting work, the plan shall be submitted to the Buyer for review, approval and insertion of Buyer's designated inspection/witness notification points unless otherwise specified in procurement documents. The plan shall include the following:

1. Traceability to Buyer's Purchase Order/ Contract Order document number.
2. Description of items to be fabricated/tested/inspected (e.g., components, subassemblies, assemblies).
3. Sequential fabrication/process steps.

4. Sequential points for inspection and tests to be performed during fabrication/processing.
5. Method/procedure to be used for performance of inspection/test/fabrication, including:
  - a. Each characteristic or attribute to be evaluated,
  - b. The report form to be utilized,
  - c. Specific Codes/Standard requirements as specified by procurement documents i.e., ASME, ASTM, ANSI, etc., and
  - d. Sampling plans for final characteristics (e.g., AQL, lot size, inspection level), where applicable.

Subsequent revisions/modifications to the fabrication/inspection/test plan document require review and approval by the Buyer prior to implementation of the change. When subcontracting any portion of this Purchase Order/Contract Order, the Supplier is required to invoke the applicable quality assurance program requirements on the subcontractor.

### **2.1 Certified Weld Inspector (CWI)**

(B25) Rev. 0 02/9/00

Supplier personnel performing weld inspections shall be certified as a Certified Weld Inspector (CWI) in accordance with the requirements specified in AWS QC-1.

The following documentation shall be submitted prior to the start of fabrication:

1. Current AWS CWI certificates.
2. Current and valid visual acuity examination. The examination must be performed annually.
3. Visual weld inspection procedures.

Approval shall be obtained from the Buyer prior to start of fabrication.

### **2.2 Welding Procedures and Qualifications**

(B28) Rev. 1 12/03/02

Welding procedures and personnel shall be qualified in accordance with the applicable AWS or ASME specifications as specified in the Purchase Order/Contract order. The Supplier shall submit copies of all welding procedures, Procedure Qualification Records, and Welder Qualification Records to be employed in the performance of this Purchase Order/Contract Order. Buyer approval is required prior to the start of fabrication.

Changes and revisions to welding documentation shall be submitted to the Buyer for review and approval prior to use. When subcontracting any portion of this Purchase Order/Contract Order, the Supplier is required to invoke the applicable quality assurance program requirements on the subcontractor.

### **2.3 Inspection and Test Report**

(B52) Rev. 0 02/22/00

The Supplier shall submit legible, reproducible copies of Inspection/Test Reports.

The report(s) shall include the following:

1. Identification of the applicable inspection and/or test procedure utilized.
2. Resulting data for all characteristics evaluated, as required by the governing inspection/test procedure.
3. Traceability to the item inspected/tested, (i.e., serial number, part number, lot number, etc.).
4. Signature of the Supplier's authorized representative or agency which performed the inspections/tests.

One copy of the documentation, unless otherwise specified, shall accompany the applicable item(s) shipped.

### **2.4 Procurement of Potentially Suspect or Counterfeit Items**

(B76) Rev. 2 02/25/08

Notwithstanding any other provisions of this agreement, the Supplier warrants that all items provided to the Contractor shall be genuine, new and unused unless otherwise specified in writing by the Contractor. Supplier further warrants that all items used by the Supplier during the performance of work for the Hanford Site, include all genuine, original, and new components, or are otherwise suitable for the intended purpose. Furthermore, the Supplier shall indemnify the Contractor, its agents, and third parties for any financial loss, injury, or property damage resulting directly or indirectly from material, components, or parts that are not genuine, original, and unused, or not otherwise suitable for the intended purpose. This includes, but is not limited to, materials that are defective, suspect, or counterfeit; materials that have been provided under false pretenses; and materials or items that are materially altered, damaged, deteriorated, degraded, or result in product failure.

Types of material, parts, and components known to have been misrepresented include (but are not limited to) fasteners; hoisting, shackles, turnbuckles, cable clamps, wire rope, rigging, and lifting equipment; cranes; hoists; valves; pipe and fittings; electrical equipment and devices; plate, bar, shapes, channel members, and other heat treated materials and structural items; welding rod and electrodes; and computer memory modules. The Supplier's warranty also extends to labels and/or trademarks or logos affixed, or designed to be affixed, to items supplied or delivered to the Contractor. In addition, because falsification of information or documentation may constitute criminal conduct, the Contractor may reject and retain such information or items, at no cost, and identify, segregate, and report such information or activities to cognizant Department of Energy officials.

Supplier shall provide a written statement that “all items furnished under this Purchase Order/Contract Order are genuine (I.e., not counterfeit) and match the quality, test reports, markings and/or fitness for use required by the Purchase Order/Contract Order.

The statement shall be on supplier letterhead and signed by an authorized agent of the supplier.

Any materials furnished as part of this Purchase Order/Contract Order which have been previously found to be suspect/counterfeit by the Department of Energy shall not be accepted. For further information on suspect/counterfeit items, reference the Department of Energy (DOE) Guide DOE G 414.1-3

DOE Guide web address,

<http://www.directives.doe.gov/pdfs/doe/doetext/neword/414/g4141-3.pdf>

## **2.5 Certificate of Conformance**

(B79) Rev. 4 12/2/2009

The Supplier shall provide a legible/reproducible Certification of Conformance. Supplier’s authorized representative responsible for quality shall sign the Certification of Conformance.

This Certification of Conformance shall, as a minimum:

1. Identify the appropriate Purchase Order/Contract Order number under which the material, equipment, item or service is being supplied.
2. Each Order/shipment shall include a C of C unique to that shipment.
3. The quantity of each Line Item shipped shall be identified on the C of C.
4. The COC shall identify the specific procurement requirements to be met by the purchased item or service. The procurement requirements identified shall include any approved changes, waivers, or deviations applicable to the item or service.
5. For OCRWM-related items only, the COC shall also identify any procurement document requirements that have not been met together with an explanation and the means for resolving the nonconformances.
6. The COC shall be signed or otherwise authenticated by a supplier’s representative. For Quality Level 1 & 2 and OCRWM-related items, the person signing the COC shall be the one who is responsible for this QA function and whose responsibilities and position are described in the supplier’s QA program.

One copy of the documentation, unless otherwise specified, shall accompany the applicable item shipped. For subsequent shipments on this Purchase Order/Contract order, reference may be made to documentation provided with earlier shipments, instead of duplicating such documentation.

### **3.0 Government-Furnished or Acquired Property**

The General Provision article entitled “Management of Subcontractor-Held Government-Owned Property” will apply to any resulting subcontract. Any Government-owned property transferred to the Subcontractor is indicated in the drawings, specifications or item description(s). The Offeror’s proposal must indicate whether or not its property management system meets all of the criteria listed in the Property Management System Verification Checklist attached to this RFQ. If so, submit a copy of the Government-provided property system approval letter with the proposal. If the Offeror’s property system does not meet all criteria, or if you have not been requested to submit your Property Management Procedure by the submission of this proposal please provide your company’s Property Management Procedures with the RFQ. The Offeror agrees to cooperate with a WRPS/Government review of its property system to ensure system compliance.

### **4.0 Packaging and Marking**

#### **4.1 Biodegradable/Recyclable Packaging Materials**

It is the preference of WRPS that the SUBCONTRACTOR packages the material/equipment in biodegradable or recyclable packaging materials. Cardboard and/or paper containers, in place of plastic, shall be used whenever possible and practical. Paper and/or popcorn may be used for internal container protection instead of plastics, foam or polyurethane chips. This preference is not intended to transfer any liability to WRPS for damage during shipping or prior to receipt by WRPS. The SUBCONTRACTOR shall be solely responsible for determining whether such substitution is practical, safe for its intended use, or in violation of any commercial or manufacturer’s warranty that WRPS may otherwise receive. Although this preference is not a prerequisite for award of this Subcontract, the SUBCONTRACTOR’s packaging methods may become a consideration for future awards.

#### **4.2 FOB Designation**

Responses are invited on both a FOB Origin and FOB Destination basis. Offerors will be evaluated for award (either FOB Origin or FOB Destination) based on the lowest overall price to WRPS. Please complete the information below and include the total charges as applicable to meet the solicitation’s requirements.

FOB Origin: Insert the exact shipping location, weights, and dimensions for each item or shipping lots. Include an explanation of any special factors that could affect loading, shipping or handling.

FOB Destination: Delivery to WRPS's address as specified with all transportation charges paid by the Offeror. The total price shown on the Offeror's proposal is an all-inclusive firm fixed price.

## **5.0 Contract Administration**

### **5.1 Authorized Procurement Representatives**

Only the following named WRPS individuals are authorized to make changes to this document:

Alice Hendrickson, Procurement Specialist

Perry Bushnell, Procurement Specialist

G. R. Lichtenberg, Manager, Materials Procurement

### **5.2 Manufacturing Schedule Submittal**

The SUBCONTRACTOR shall submit for WRPS's approval a firm-manufacturing schedule within three weeks after receipt of Subcontract. The approved schedule shall become a part of the Subcontract.

The schedule shall show the estimated percentage of physical completion for the entire Subcontract requirement and each major component thereof by calendar weeks starting with receipt of the Subcontract to completion and shipment of all requirements of the Subcontract. Separate bar charts shall be furnished to indicate the manufacturing schedule for each major component.

The schedule shall be in sufficient detail to permit close administrative control of engineering, material deliveries, work in progress, and major Subcontracts. This schedule shall be updated by the SUBCONTRACTOR and furnished to the authorized procurement representative on the first day of each month, and continue throughout the life of the Subcontract.

### **5.3 Conditions and Risks of Work**

The SUBCONTRACTOR represents that it has carefully examined the drawings and specifications for the Work and has fully acquainted itself with all other conditions relevant to the Work and the SUBCONTRACTOR assumes the risk of such conditions and will, regardless of such conditions, the expense, difficulty of performing the Work, or negligence, if any, of the BUYER, fully complete the Work for the stated Subcontract price without further recourse to BUYER.

## **6.0 List of Attachments**

The following attachments are incorporated herein. The General Provisions and On-Site Work Provisions, if applicable, listed below are hereby incorporated into and made a part of this Subcontract. They shall have the same force and effect as if written into the body of the

contract. Subcontractor is responsible for downloading and complying with the applicable revision as identified below.

The documents identified with an asterisk below can be downloaded from the following website: <http://www.hanford.gov/tocpmm/page.cfm?page=11>
