DESCRIPTION OF AMENDMENT

Vendor Question for Solicitation 267606 MO-041 Replacement Trailer

1. They are calling for only the Women's Restroom to be ADA. Per code both Restrooms need to be ADA. Should we make the Men's Restroom larger to accommodate an ADA toilet or delete one toilet from the Men's?
Please price as listed in the statement of work.
2. According to our ceiling tile supplier none of their ceiling tile will meet the "Fire Hazard Classification" levels called out. Is there a product that they are looking for in the T-bar grid ceiling?
This is the standard call out used on several recent purchases. Please price as listed in the statement of work. If you are unable to comply then list it as an exception in your pricing.
3. Do you want the manufacture to provide and install the carpet tile and 4" rubber base?
Yes.
4. Do you want the manufacture to provide the low voltage cable and install as much as possible?
Yes.
5. They call for the water heater to have a cord and plug connected. The only water heater we are aware of has a cord is a 2.5 gallon. We do not feel this is adequate for the fixtures. Can we use a larger hard wired water heater?
Please price as listed in the statement of work.

Except as provided herein, all terms and conditions of the solicitation remain unchanged and in full force and effect.
