2DB00-GSM-14-37507

Dear Potential Bidders:

SOLICITATION NUMBER 37507 “PUMP ASSEMBLIES”

Washington River Protection Solutions, LLC (WRPS) requests proposals for Pump Assemblies. The requested work is in support of WRPS’s Prime Contract DE-AC27-08RV14800 with the U.S. Department of Energy, Office of River Protection.

Information regarding the submission of a proposal is contained in the attached Solicitation. The drawings and specifications are substantially complete, but are still considered drafts and will not be posted on the Opportunities website. Please contact the undersigned for drawings and specifications related to this solicitation.

The proposal is due by 3:00 p.m. on November 25, 2014.

WRPS looks forward to your response.

Very truly yours,

Gregory S. Moore,
Procurement Specialist
