

Applied Effective Management Systems

- **Supported DOE-RL Privatization of Tank Waste**
- **Consolidated internal waste management services (e.g. engineering, maintenance, 242-A/200 ETF) improving efficiency of operations**
- **Provided Technology Insertion Points in the FY 1999 Multi-Year Work Plan**
- **Automated collection of data for forecasting the needs for Waste Management services**

- **Issued Hanford Waste Management Project Strategic Plan. The Plan supports both the DOE-HQ and DOE-RL Strategic Plans**
