Major FY 1999 Accomplishments

Mixed Low-Level Waste Treatment, Storage and Disposal

Exceeded the TPA M-19-00
commitment for cumulative MLLW
treatment and/or disposal for FY 2000.

Initiated onsite disposal of MLLW (from onsite and offsite generators) in Trench 34 over a year and a half early (M-91-13). Disposed of previously stored MLLW drums from CWC. Disposed of 6,440 ft³ of MLLW.
