2017 SAFETY PUZZLE CAMPAIGN

1. Working \_\_\_\_\_ means working in a manner that ensures protection of employees, the public, and the environment from harm.
2. The sound of a Fire alarm can be a gong, \_\_\_\_\_ or electronic tone.
3. \_\_\_\_\_ is the goal that fosters a culture based on individual commitment to eliminating injuries, illnesses, environmental impacts, and errors or omissions.
4. Sharing or distributing the information presented at the monthly PZAC meetings to the facility project work force is the responsibility of your \_\_\_\_\_ Chair.
5. Training and \_\_\_\_\_ of employees is the thread that links VPP and ISMS
6. Emergency response drills must be practiced and participation \_\_\_\_\_ at least annually.
7. MSA Facilities Safety and Health Inspection Program, Module #5, Required Postings, includes the Worker Bill of Rights as one of the top \_\_\_\_\_ postings that are required to pass inspection.
8. MSA Facilities Safety and Health Inspection Program Module #6, Means of Egress states, “An exit path must not have temporary or permanent storage that could decrease with to less than \_\_\_\_\_ four inches”.
9. A requirement for a VPP STAR site is that employees are capable of discovering, on an ongoing basis, the potential hazards, \_\_\_\_\_, and problems associated with their work.
10. Management leadership is key to \_\_\_\_\_ in VPP safety and health.
11. STAR recognition means that MSA is maintaining \_\_\_\_\_ safety programs that met all management VPP criteria.
12. Part of your role in the success of Environmental Management System (EMS) is to practice \_\_\_\_\_ minimization and \_\_\_\_\_ prevention by reusing, recycling, or conserving resources.
13. Under Hazard Communication, MSA expects all employees to recognize and understand the Globally \_\_\_\_\_ System (GHS) labeling elements appearing on manufacturer’s containers and on secondary containers prepared on site.
14. Under As low as reasonably achievable (ALARA) MSA’s administrative control limit for personnel qualified as radiological workers is 500 mrem \_\_\_\_\_.
15. Voicing safety, health, and environmental concerns is not only your \_\_\_\_\_, it is your Responsibility!
