SUBJECT: Postponement of CDC Mask and Social Distancing Guidance for Hanford

****PLEASE SHARE THIS MESSAGE WITH THOSE WHO ARE NOT ON COMPUTERS****

I have made the decision to postpone implementation of the CDC guidance for our Hanford teammates who are fully vaccinated. Please continue to follow the site protocols that have proven very effective in protecting the health and safety of our entire Hanford team over the last year. The additional time is intended to allow federal, state, and local policies and guidelines relative to the revised CDC guidance to stabilize, affording the Hanford leadership team the time to develop a comprehensive and methodical implementation plan.

Thank you for your patience and continued dedication to our important mission during these challenging and fluid times.
