SUBJECT: CDC Releases New Guidelines for Isolation and Quarantine Times

****PLEASE SHARE THIS MESSAGE WITH THOSE WHO ARE NOT ON COMPUTERS****

On Monday, Dec. 27 the Centers for Disease Control and Prevention released new guidelines for COVID-19 isolation and quarantine times. The HPMC OMS team is currently revising internal documents and processes to incorporate the updated guidelines. Once updated, another message will be sent outlining changes to the process based on the updates. HPMC OMS appreciates your continued patience as we move through these challenging times together.
