**\*\*PLEASE SHARE THIS MESSAGE WITH THOSE WHO ARE NOT ON COMPUTERS\*\***

Effective immediately, HPMC Occupational Medical Services will discontinue offering the Johnson & Johnson COVID-19 vaccine.

HPMC OMS discontinued offering the Pfizer vaccine on March 24 due to a decrease in demand, but will continue to offer the Moderna vaccine, which is recommended for use as a booster after any and all types of initial vaccinations.

An informational briefing on the Moderna vaccine is available at [COVID-19 Resources and Updates](#).

For additional questions, please reach out to your [company COVID-19 POC](#) or visit the [Washington State Department of Health COVID-19 Vaccine webpage](#).

For those who desire the Moderna vaccination, HPMC OMS will continue to offer vaccination appointments on Thursdays. To schedule an appointment, please click [here](#) or call (509) 376-8378, option 5.
