Mr. Steve Wiegman, Chair
Hanford Advisory Board
245 Torbett Street
Richland, Washington 99354

Dear Mr. Wiegman:

HANFORD ADVISORY BOARD DECEMBER 5, 2019, CONSENSUS ADVICE NO. 303, ON
100-BC PROPOSED PLAN

Thank you for the Hanford Advisory Board's (HAB) December 5, 2019, advice No. 303 regarding the 100-BC Proposed Plan. The U.S. Department of Energy (DOE) values the effort of HAB committees and members in developing consensus advice regarding Hanford cleanup.

A final record of decision for 100-BC was issued on September 28, 2021. Part III of the record consists of a responsiveness summary for written comments received during the public comment period held in fall 2019, including HAB Advice No. 303. As advised in HAB Advice No. 303, HAB Advice No. 296 was also considered in development of the responsiveness summary.

If you have any questions, please contact Stanley Branch, Deputy Designated Federal Officer, on (509) 376-9450.

Sincerely,

Brian T. Vance
Manager
