THE HANFORD SITE

April 1, 2022

TO: All Hanford Contractor Employees

SUBJECT: Masks Optional at the Hanford Site April 2–8

****PLEASE SHARE THIS MESSAGE WITH THOSE WHO ARE NOT ON COMPUTERS****

For the week of **April 2–8**, 2022, based on current Community Levels in Benton and Franklin counties, masks remain **optional** at Hanford Site facilities regardless of vaccination status. Masks are still required for anyone visiting HPMC OMS or other healthcare facilities.

A copy of the current metrics that determine our community level is attached. This is derived from the Centers for Disease Control and Prevention [Integrated County View of community levels](#).

If you have any questions, please work with your management. Thank you for doing your part to keep Hanford safe.

The Hanford Site has completed phase 3 of the COVID-19 re-entry.

On 25 February, the Safer Federal Workforce Task Force (Task Force) issued initial implementation guidance on COVID-19 Community Levels, which measure the impact of COVID-19 illness on health and healthcare systems. Hanford is relying on this data to determine the COVID-19 Community Level for a given facility by looking to the COVID-19 Community Level for Benton and Franklin counties. Where a locality imposes more protective pandemic-related safety requirements, those requirements should be followed in Federal facilities within that locality.

In Washington, the Governor updated Proclamation 20-25 (Washington Ready) to rescind the face covering requirement in most places. The face covering requirement will remain in place in healthcare settings, long-term care facilities, and correctional facilities and jails.
