

**Tank Waste Committee – Transcribed Flipcharts**  
**January 8, 2014**

---

Framework

1. Is there anything in the Framework document the Board should respond to?
  - Any concepts the Board does not support?
2. Anything missing from IM discussion draft?
  - Agree/disagree with IM recommendation?

Page 1

---

Framework

- Missing: schedule & cost
- Agree & support
  - Early LAW
  - Support TRU waste retrieval
    - Provided the State of New Mexico concurs
    - Determine not HLW (process knowledge)
    - As long as meets all applicable requirements
    - “evaluation” not “characterization”

Page 2

---

Framework

- Address in separate advice, definition of HLW doesn't make sense, not based on anything (Dick Smith point)
- Need defined & detailed path forward
- Outline what needs to happen
  - Near-term
  - Long-term
- Condense advice
  - Add Jeff Luke to IM group & Shannon Cram, Steve H, Mecal

Page 3

---

Framework

- Quality assurance & quality control
- Add specificity to system plan advice bullet
- Delete data gap analysis point
- Missing: any orphan waste that may be created
- “the HAB is concerned because...”
  - Relate to HABs purpose & policy level

Page 4

---

### Framework

- Build new DST space (refer/reiterate past advice)
  - Timeframe for building new DSTs related to doing early LAW to free up DST space
- Specify what leaking tanks Ecy should order emptied

#### NEXT STEPS

- Lead IM – Liz
  - Synthesize into draft advice
- IM call
- Distribute draft advice in advance of Feb committee mtg (hold edits til mtg)
- Seek consensus at Feb TWC mtg
  - Take to March Board mtg

Page 5

---

### Status Update on Tank Farms

DST IMs: Dunning, Myers

- Next briefing...
  - IMs discuss timing
  - Review changes to Emergency Pumping Guide

Page 6

---

### TC & WM EIS

Next steps?

- Closed for now
- Look at in context of other topics & wait for next ROD  
There will be more, no timeframe is known

Page 7

---

### BIN/FOLLOW UP

- Doodle poll for Framework IM call  
Early week of 1/20
- For those TWC members interested, can they sit in on expert panel meeting? DOE to check
- Classification of waste
  - HAB 2014 work plan B list
  - Need to pursue, IM group work w/DOE
- Break Framework doc into smaller briefings – on work plan already

Page 8

---

February

- Advice development for DOE Framework
- Ecology briefing System Plan 7
- DOE Framework topic briefing direct feed LAW
- Committee business
  - Discuss response to advice (DST)
  - Leadership selection (*actually in March*)

---

Page 9

---

March

- Tutorial on WTP Glass Process (“Glass 101”) 2 hour
- DOE Order 435.1 redefinition of waste classification
- “TRU 101”
  - Definition
  - Applies at Hanford
- Framework: briefing on treating & packaging tank waste that isn’t high level waste (TRU)
- Leadership selection

---

Page 10

---

April

- DOE Framework topic briefing
- Second waste treatment (milestone 2014)

---
