

100-F

1. Public involvement/mtg in March
 - How to sequence Board Review with public comment period
 - Path 1: Could request comment period extension
 - Path 2: Could request HAB comments considered post comment period
 - If comment period starts in March, HAB could request to comment in May (advice)

Page 1

What might be topics for policy-level discussions?

What might be ways, other than meetings, to solicit involvement?

What might be useful to present at March Board mtg?

Page 2

100-F Policy-Level Topics

1. What if any of 100-F area will be part of Hanford Reach?
2. What waste is left in place?
3. When will Reactor be moved away from River?

Page 3

4. How long before Reactor core degrades (protect human health & environment)?
5. How are tribal treaty rights being considered?
6. How are cultural resource laws being complied with?
 - How c. resources are being preserved/protected

Page 4

7. How do 100-F cleanup plans fit into the larger Hanford cleanup picture?
 - Interim actions/final actions
 - Sequence of actions
 - 5-year review process/opport.
8. Context: history of reactor (animals)
9. Plans for any future public access (along river)?

Page 5

10. What does “done” mean to the TPA agencies?

11. Compare 300 Area and 100-F in terms of HAB Advice & previous public input on 300 Area (how info is used)
 - What would apply to both
 - What would be different
 - Significance for Native Americans
12. What will agencies do with public comments

Page 6

100 F – Other ways for public involvement

1. Anticipate request for a public mtg
2. “Speakers Bureau” include 100-F in already scheduled events
3. Info kiosk at library (include photos)
Draw people in

Page 7

4. “iPhone” video of 100-F – less formal, You Tube-like
5. Include future restrictions in the area – include/highlight in notice (per MTCA)

Page 8

March Board Meeting – 100-F Topic

1. Talk about how the 100-F Proposed Plan incorporated/didn’t incorporate HAB Advice
What has changed?
(With RAP input) assist. In design
(Initial discussion at Jan RAP and determine path forward)
2. Sounding Board would be informed by this (if S.B. goes forward)

Page 9

Follow Up

1. Check w/RAP to update on Class III RCRA permit mods
Hillary
2. All mods Class II/III for RCRA Permit → need for HAB review? (work plan issue)
Susan follow up with EIC
3. Request calendar updates at each PIC (where not a quarterly)
4. Dialogue w/agency on how they responded to 300 Area
Susan w/Hillary
5. Ask for RAP to weigh in on March Board presentation on 100-F
Susan & Hillary

Page 10

6. Send poll re: tools discussion today:
 - What, if anything, is of utility/interest
 - Other tools?
 - Threads to make tools usefulSusan & committee leadership & agency liaisons

7. Check w/Hillary and include joint topics on 3-month work plan
