Cesium/DFLAW

- Flow chart revisions
- Committee members reflect; send comments & issues to IMs
- Update at next meeting

WTP Communication Strategy

- What are the best techniques to inform/engage different audiences?
- How to communicate difficult issues?
- Paducah/Portsmouth example (Steve H.)
- Audience ➔ Information Needs ➔ Techniques
- Add Pam L. and Liz M. to IM group
- Joint topic with PIC in April

One System

- Presentation for full HAB?
- One system staff to coordinate with Sharon on next update opportunity

Tank Vapors

- Future informational briefing, perhaps next quarter (in 3 months)
  - Tech fair results, etc.
- Full HAB Topic?

Potential Future Topics (Open Forum)

- Current understanding of LAW process
- WTP Comm.
- DFLAW/One System
TWC—Transcribed Flipcharts
March 11, 2015
