

Central Plateau Inner Area Principles

- Proposed next steps:
 - COTW on February 3, 2014 (day before February Board Meeting)
 - Issue manager/TPA agency call
 - Refer to today's meeting and Shelley's notes
 - Advice on public involvement, potentially part of larger advice
 - Add other issue managers (and Jean)

Page 1

100-F Area

- Advice #268, referred to in #280
- Letter: lessons learned from 100-F, future RODs for River Corridor
- Issue manager work (revisit in January)
 - Remove Jean and Art, add Gary
- Separate topic/request for presentation on new EPA guidance as applied at 100-F

Page 2

January

- River Corridor ROD/100-F (January 13)
- Inner Area Principles (COTW, preliminary call January 6 in the afternoon)

Page 3
