In establishing an initial workforce, and through the first six months after Contract award, the Contractor shall give a first preference in hiring for vacancies in non-managerial positions under this Contract to qualified employees employed by the Incumbent Contractors (see definition in Clause H.2 below). This hiring preference takes priority over the hiring preference provided in the Section I clause entitled DEAR 952.226-74 Displaced Employee Hiring Preference. It does not apply to the Contractor’s hiring of management staff (i.e., first line supervisors and above).

H.2 PAY AND BENEFITS

Except for the specific cases described in this section, employees will be considered as non-incumbent employees for the purposes of this clause.

(d) Employee Pay and Benefits

(1) Compensation, Pension, and Benefits. The Contractor shall submit, within 30 days of Contract award, a Human Resources Compensation Plan demonstrating how the Contractor will comply with the requirements of this Contract. The Human Resources Compensation Plan shall describe the Contractor’s policies regarding compensation, pensions, and other benefits, and how these policies will encourage highly skilled, motivated, and experienced workers to accept and retain employment.
(2) Pay

(i) Incumbent employees shall be paid base salary/pay rates that are at least equivalent to the base salary/pay rates being paid to the employees by the incumbent contractors at the time the Contractor offers them employment, if the positions for which they are hired entail duties and responsibilities substantially equivalent to their positions with the Incumbent Contractors.
