Statement of Work

Scope of Work

The U.S. Department of Energy, Office of River Protection, Tank Farms Operating Contractor, Washington River Protection Solutions, LLC (WRPS) requires the support of HPM Corporation (HPMC) to provide additional occupational health services not required by the Firm-Fixed Price portion of the base Contract DE-EM0002043 *Section F.3 Hours of Service* in accordance with Section C.2.3(b).

The Contractor shall provide timely and accessible occupational health care and first aid at the 1979 Snyder Street clinic on the Hanford Site in accordance with base Contract DE-EM0002043 *Section C.2.1.1 Medical Monitoring and Qualification Examinations* and *Section C.2.1.3 Diagnosis and Treatment of Injury or Illness*, and *Section C.2.1.4 Monitored Care*.

Medical care for occupational and non-occupational injury and/or illness shall be provided in accordance with the following requirements and consistent with the above mentioned contract sections:

A. Occupational Injury or Illness:

1. The management of occupational injury or illness shall be in accordance with applicable Federal, State and local laws and regulations and DOE Directives.
2. Diagnosis and first aid, or stabilization and referral, of occupational injury or illness shall be prompt, with emphasis placed on rehabilitation and return to work at the earliest time compatible with job safety and employee health. Contractor shall define specific protocols, procedures and tests for workers who present complaints or express symptoms of chemical exposure.
3. The occupational medical staff shall notify the affected individual(s) and immediate supervisor(s) of unhealthy work situations detected during the course of their duties. The Contractor shall also notify the appropriate Hanford Site health and safety groups (health physics, industrial hygiene, or safety) of these situations.

B. Non-occupational Injury or Illness:

1. The Contractor shall provide appropriate assistance to workers who are ill at work. Care should be available for what is judged a short-term, minor condition. The objective is to return the worker to a state of health in the shortest possible time consistent with appropriate medical standards.
2. The Contractor shall not provide long-term treatment of non-occupational injury and illness.

C. The Contractor shall provide appropriate return to work clearance or duty limitations to patients and their employers.

D. In emergencies, Hanford workers shall be given the necessary care required for stabilization until referral to a private physician or facility can be provided.

E. The definition of "First Aid" is as defined in WAC 296-27-01107(2)(e)(ii). Exceptions to this definition include services for travel medicine, seasonal influenza vaccinations, other preventative vaccinations, and use of Diethylene Triamine Pentaacetic Acid (DTPA) or similar chelating agent in concert with treatment by other medical facilities in cases of uptake of radioactive substance.

F. The Contractor shall report to DOE on the dispensation and inventory of regulated drugs, as required by the Section F clause entitled *Reporting Requirements*.

G. The Contractor may provide an initial dose of non-prescription medication for prompt treatment of symptoms (e.g., aspirin, ibuprofen, antihistamines, decongestants, topical antibiotic/cortisone/burn ointments, throat lozenges, muscle relaxers, antacids, and eye/ear drops). The Contractor shall provide prescription medications only on a limited, emergency basis.

H. Monitored Care:

1. Monitored care of ill or injured employees by occupational medical physicians is required, to maximize recovery and safe return to work and to minimize lost time and associated costs.
2. The Contractor shall assist the employees in their recovery and to facilitate their return to duty at the earliest practical time.
3. The Contractor shall make medical fitness-for-duty recommendations regarding employees for all conditions that may influence performance or work suitability.

Period of Performance

The period of performance for this task order is December 8, 2016 through March 13, 2017.

Starting on Thursday, December 8, 2016 to Monday March 13, 2017 the following hours will be staffed and maintained as follows:

- Each Monday evening from 5pm to the following Tuesday at 7am.
- Each Tuesday evening from 5pm to the following Wednesday at 7am.
- Each Wednesday evening from 5pm to the following Thursday at 7am.
- Each Thursday evening from 5pm to the following Tuesday at 7am.
- Each Friday evening from 5pm to the following Monday at 7am.

Results Desired

The desired results from the task order are in accordance with base Contract DE-EM0002043 *Section C.1.2 Purpose, Objectives, and Outcomes.*

Performance Standards

The performance requirement associated with this task order is in accordance with base Contract DE-EM0002043 *Section E.7 Performance Requirements Summary, Section C.2.1.1, Section C.2.1.3, and Section C.2.1.4.*

The Contractor shall submit monthly task order progress reports in accordance with base Contract DE-EM0002043 *Section H.43(i) Task Ordering Procedure.*

Qualifications

The occupational medical staff will be familiar/knowledgeable and able to execute the *HPMC Occupational Medical Services Chemical Exposure Evaluation Process*, as amended.
